Safety Instruction Guide for STRIKEFORCE GEN2 STOCK FOR RUGER 10/22 W/TRACLOCK

Introduction

Thank you for choosing the STRIKEFORCE GEN2 Stock for Ruger 10/22 with TracLock. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that this product is used only with compatible firearms, specifically the Ruger 10/22 model.
- Always follow the manufacturer's instructions for installation and use.
- Keep the stock and firearm clean and wellmaintained to ensure optimal performance.
- Store the stock and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before use.
- Always wear appropriate eye and ear protection when handling or firing firearms.
- Be aware of your surroundings and ensure a safe environment when using your firearm.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Compatibility:** This stock is designed to fit Ruger 10/22 rifles. It does not accommodate rifles equipped with bull barrels or Ruger 10/22 Takedown models.
- **Adjustable Features:** When adjusting the stock, ensure that it is securely locked in place to prevent unintended movement during use.
- **Firing from Folded Position:** The stock can be fired from a folded position; however, ensure that no obstructions are present and that it is safe to do so.
- **Sling Attachment:** Use the provided sling swivel studs and QD attachment points to secure slings. Confirm that attachments are secure before use.
- **Recoil Management:** The stock features a recoil pad designed to absorb impact. Ensure that the pad is correctly positioned and secured for effective recoil management.
- **Chemical Exposure:** The materials used in this stock are not affected by chemicals or extreme temperatures, but it is advisable to avoid exposure to harsh chemicals when cleaning.
- **Ventilation:** The stock includes additional ventilation in the forend and top cover. Ensure these areas remain unobstructed for optimal performance.

Instructions for Installation and Usage

1. Installation:

- Remove the existing stock from your Ruger 10/22 by following the manufacturer's instructions.
- Align the STRIKEFORCE GEN2 stock with the receiver of your firearm.
- Secure the stock using the provided mounting hardware. Ensure all screws and attachments are tightened appropriately.
- Adjust the cheekrest system to fit your preference and secure it in place.
- Attach any necessary Picatinny rails as needed for accessories.

2. Usage:

- Before each use, inspect the stock and firearm for any signs of wear or damage.
- Ensure the stock is adjusted to your desired length and locked securely.
- Follow standard firearm safety practices when handling and firing your weapon.

- After use, clean and maintain the stock and firearm according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding plastic and polymer materials.
- If the product is damaged or no longer usable, consider recycling the materials where possible.
- Ensure that any hazardous materials are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the STRIKEFORCE GEN2 stock, please refer to the manufacturer's website or contact their customer service for assistance. Always ensure you have the latest information regarding safety recalls and product updates.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your STRIKEFORCE GEN2 Stock for Ruger 10/22. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these important safety measures.
