Safety Instruction Guide for TACTLITE GEN2 AR15/AR10 MILSPEC BUTTSTOCK

Introduction

Thank you for choosing the TACTLITE GEN2 AR15/AR10 MILSPEC BUTTSTOCK. This safety instruction guide is designed to help you understand how to safely use, install, and dispose of your new buttstock. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the buttstock is compatible with your firearm. The TACTLITE GEN2 fits AR15 and AR10 models or any firearm equipped with a Military Buffer Tube.
- Always handle firearms with care and follow all safety protocols recommended by the manufacturer.
- Keep the buttstock and firearm out of reach of children and unauthorized users.
- Regularly inspect the buttstock for any signs of wear or damage before use.
- Be aware of your surroundings when using your firearm. Ensure that you are in a safe environment.

Specific Safety Precautions for Use

- **Avoid Modifications:** Do not modify the buttstock in any way, as this can affect its performance and safety.
- **Proper Installation:** Ensure that the buttstock is securely attached to the buffer tube before use. Follow the installation instructions carefully.
- **Check for Movement:** After installation, check that the stock does not wobble or move on the buffer tube. If it does, reinstall it properly.
- **Use Correct Sling Attachments:** When using slings, ensure that they are properly attached to the dualsided QD sling attachment points.
- **Avoid Snag Points:** Be mindful of clothing or gear that can catch on the buttstock while handling the firearm.
- **Recoil Management:** Consider upgrading to an X1 or X2 Recoil Reducing Pad to enhance comfort and reduce recoil.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing buttstock from the buffer tube if applicable.
- Align the TACTLITE GEN2 buttstock with the buffer tube.
- Slide the buttstock onto the buffer tube until it is fully seated.
- Use the TracLOCK GEN2 system lever to secure the buttstock in place. Ensure it is locked down firmly.
- Check that the stock is secure and does not move on the buffer tube.

2. Usage:

- Adjust the length of pull using the TracLOCK GEN2 system as needed for comfort.
- When adjusting the stock, do so in a safe environment and ensure your finger is off the trigger.
- Use the dual slots for tactical sling attachment as needed for your specific setup.
- Always wear appropriate eye and ear protection when using your firearm.

Disposal Instructions

- Dispose of the buttstock in accordance with local regulations. Do not dispose of it in regular household waste.
- If the buttstock is damaged or no longer usable, consider recycling the polymer material where facilities are available.

Contact Information for Further Support

For any safety inquiries or further support regarding the TACTLITE GEN2 AR15/AR10 MILSPEC BUTTSTOCK, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your TACTLITE GEN2 AR15/AR10 MILSPEC BUTTSTOCK. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to safety.
