RAMJET BARREL W/AFTERBURNER MICRO COMP FOR GLOCK 43 - BLACK

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

AFTERBURNER + RAMJET FOR GLOCK 43 The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from hardened stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Safety Instruction Guide for AFTERBURNER + RAMJET for GLOCK 43

Introduction

Thank you for choosing the AFTERBURNER + RAMJET for GLOCK 43. This product has been designed to enhance your shooting experience by providing improved recoil reduction and matchgrade accuracy. This safety instruction guide is intended to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the AFTERBURNER + RAMJET by following these guidelines:
 - Always treat the firearm as if it is loaded.
 - Keep the firearm pointed in a safe direction at all times.
 - Store the product and firearm in a secure location, away from children and unauthorized users.
 - Familiarize yourself with the product and its operating instructions before use.
 - Do not use the product if it appears damaged or malfunctioning.
 - Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- When using the AFTERBURNER + RAMJET, please observe the following precautions:
 - Ensure that the firearm is unloaded before installing or removing the AFTERBURNER or RAMJET.
 - Use only compatible GLOCK 43 models with this product.
 - Avoid using the firearm in wet or slippery conditions that may affect grip and control.
 - Wear appropriate eye and ear protection while shooting.
 - Be aware of your surroundings and ensure a safe shooting environment.
 - Do not exceed the manufacturer's recommended ammunition specifications.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the AFTERBURNER + RAMJET:

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including the locking screw.

2. Installation:

- Slide the AFTERBURNER compensator over the muzzle end of the RAMJET barrel.
- Align the compensator with the barrel's profile.
- Insert the locking screw into the tapered locking screw hole.
- Tighten the locking screw until secure, ensuring the compensator is properly locked in place.

3. Usage:

- After installation, perform a function check to ensure everything is secure.
- Proceed to use the firearm as intended, following all safety guidelines.

4. Removal:

- To remove the AFTERBURNER compensator, simply reverse the installation steps.
- Unscrew the locking screw and slide the compensator off the barrel.

Disposal Instructions

- Proper disposal of the AFTERBURNER + RAMJET is essential to protect the environment:
 - If the product is damaged or no longer functional, do not dispose of it in regular household waste.
 - Contact local waste management authorities for guidance on the proper disposal of firearm accessories.
 - Recycle components when possible, following local recycling guidelines.

Contact Information for Further Support

- For any safety inquiries or additional support regarding the AFTERBURNER + RAMJET, please refer to the manufacturer's website or contact their customer service. Ensure to have your product details ready for assistance.

Conclusion

By following this safety instruction guide, you help ensure a safe and enjoyable experience with the AFTERBURNER + RAMJET for GLOCK 43. Always prioritize safety and adhere to local laws and regulations regarding firearms and accessories. Thank you for your commitment to safe usage.
