

AFTERBURNER + RAMJET FOR GLOCK 43X - RAMJET BARREL W/AFTERBURNER MICRO COMP FOR GLOCK 43X -BRONZE

AFTERBURNER + RAMJET FOR GLOCK 43X The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from hardened stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Safety Instruction Guide for AFTERBURNER + RAMJET for GLOCK 43X

Introduction

Thank you for choosing the AFTERBURNER + RAMJET for your GLOCK 43X. This product is designed to enhance your shooting experience by providing reduced recoil and improved accuracy. However, it is essential to follow safety guidelines to ensure safe use and compliance with applicable regulations. This guide provides crucial safety information and instructions for the proper installation and usage of the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store the firearm and accessories in a secure location, away from unauthorized users.
- Ensure you are familiar with local laws and regulations regarding firearm ownership and modifications.
- Always use appropriate protective gear, such as eye and ear protection, when handling firearms.
- Do not use the AFTERBURNER + RAMJET if you notice any signs of damage or wear.
- Regularly inspect your firearm and accessories for any signs of damage or malfunction.
- Keep the product and firearm clean and wellmaintained to ensure optimal performance and safety.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Only use the AFTERBURNER + RAMJET with the GLOCK 43X model.
- Ensure that the compensator is properly installed before using the firearm.
- Do not exceed the recommended ammunition specifications for the GLOCK 43X.
- Avoid exposing the product to extreme temperatures or corrosive environments.
- Ensure that the compensator is securely locked in place before firing.
- Be cautious when cleaning the firearm and the AFTERBURNER + RAMJET. Follow the cleaning instructions carefully to avoid damage.
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Barrel Removal:** Remove the slide from the GLOCK 43X and take out the barrel.
3. **Compensator Installation:**
 - Slide the AFTERBURNER compensator over the barrel.
 - Align the compensator with the tapered locking screw and the angled Vgroove on the barrel.
 - Insert and tighten the locking screw to secure the compensator in place.
4. **Reassemble:** Reinsert the barrel into the slide and reattach the slide to the firearm.
5. **Final Check:** Ensure that the compensator is securely attached and that the firearm is functioning correctly.

Usage Instructions

- Before firing, ensure that all safety features of the firearm are operational.
- Fire in a controlled environment and follow all local laws regarding shooting.
- Monitor the performance of the AFTERBURNER + RAMJET during use. If any issues arise, stop using the product immediately.

Disposal Instructions

- Dispose of the AFTERBURNER + RAMJET according to local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AFTERBURNER + RAMJET, please consult the manufacturer's website or contact their customer support for assistance.

Important Note

This product is legal for sale in all 50 states, but it is crucial to ensure compliance with local laws and regulations regarding firearm modifications and usage. Always prioritize safety and responsible handling of firearms.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the AFTERBURNER + RAMJET for GLOCK 43X responsibly!
