RAMJET BARREL W/AFTERBURNER MICRO COMP FOR GLOCK 43X - BRONZE

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

AFTERBURNER + RAMJET FOR GLOCK 43X The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from hardened stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Safety Instruction Guide for AFTERBURNER + RAMJET for Glock 43X

Introduction

Thank you for choosing the Radian® AFTERBURNER™ + RAMJET™ combo for your Glock 43X. This product is designed to enhance your shooting experience with improved recoil reduction and matchgrade accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of your new product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure that you are in a safe environment when handling your firearm.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding the use and ownership of firearms.
- Regularly inspect your firearm and accessories for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only the recommended ammunition type (9 mm Luger) with the AFTERBURNER + RAMJET combo.
- Ensure that the product is properly installed before use. Refer to the installation instructions below.
- Do not modify the AFTERBURNER or RAMJET in any way, as this may compromise safety and performance.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Avoid using the product in wet or damp conditions, as this may affect performance.
- If you experience any malfunctions or unusual behavior, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of the AFTERBURNER + RAMJET:

- Ensure that your Glock 43X is unloaded and pointed in a safe direction.
- Remove the slide from the frame of the firearm.
- Align the RAMJET barrel with the slide and insert it carefully.
- Slide the AFTERBURNER compensator over the RAMJET barrel.
- Insert the tapered locking screw into the compensator and tighten it securely using the appropriate tool.
- Ensure that the compensator is properly seated and aligned with the barrel.

2. Usage Instructions:

- Once installed, perform a function check to ensure that the firearm operates correctly.
- When ready to shoot, load the firearm with the appropriate ammunition.
- Maintain a firm grip on the firearm while aiming and firing.
- After shooting, allow the firearm to cool before cleaning or handling further.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the AFTERBURNER or RAMJET becomes damaged or worn beyond safe use, consult local authorities for

proper disposal methods.

- Do not dispose of the product in regular household waste. Seek out designated hazardous waste disposal facilities if necessary.

Contact Information for Further Support

For any questions or concerns regarding the AFTERBURNER + RAMJET for Glock 43X, please refer to the manufacturer's website or customer support resources. It is important to consult with professionals for any technical assistance or safety inquiries.

This safety instruction guide is designed to ensure your safe and effective use of the AFTERBURNER + RAMJET for Glock 43X. Please follow all guidelines and precautions diligently to maintain a safe shooting environment.
