# AK Alpha Series Krink MLOK Handguard Safety Instruction Guide

## Introduction

Thank you for choosing the AK Alpha Series Krink MLOK Handguard by Midwest Industries. This guide provides essential safety information, installation instructions, and usage tips to ensure your safety and the optimal performance of your product. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the handguard by following all instructions. This product is designed for specific firearms and should only be used as intended.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product. Check the EU Safety Gate platform for updates.
- **Online Shopping Protections:** If purchased online, ensure the retailer complies with EU safety regulations.
- **Vulnerable Groups:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of potential safety alerts regarding this product through the Safety Gate system.

## Specific Safety Precautions for Use

- **Installation Warning:** If your firearm is not straight, take it to a qualified gunsmith for proper installation.
- **Compatibility:** Ensure that the handguard is compatible with your firearm model (Bulgarian patterned AK Krinks). It will not fit standard Midwest Industries Alpha accessories.
- **Weight Consideration:** The handguard weighs 6.4 oz. Ensure your firearm can support this additional weight without compromising safety.
- **Heat Shield Use:** Always use the speciallydesigned heat shield included with the handguard to prevent burns during use.
- **Sling Attachments:** Use only the designated QD points for sling attachments to avoid accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation, including a torque wrench and appropriate screws.
- Clear your workspace and ensure your firearm is unloaded.

### 2. Installation Steps:

- Remove the existing handguard from your firearm.
- Align the AK Alpha Series Krink MLOK Handguard with the firearm's receiver.
- Secure the handguard using the provided screws and torque them to the manufacturer's specifications.
- Attach the heat shield according to the included instructions.

### 3. Usage Instructions:

- After installation, check that the handguard is securely attached.
- Mount any accessories using the MLOK slots as per the manufacturer's guidelines.
- Regularly inspect the handguard for any signs of wear or damage.

## Disposal Instructions

- **Disposal of Product:** When the handguard has reached the end of its life cycle, dispose of it in accordance with local regulations for aluminum products.
- **Environmental Responsibility:** Recycle the handguard if possible, following your local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the AK Alpha Series Krink MLOK Handguard, please refer to the contact information provided by your retailer or manufacturer. They will assist you with safety inquiries, installation issues, or product support.

Thank you for ensuring your safety and the safety of others while using the AK Alpha Series Krink MLOK Handguard. Enjoy your product responsibly!
