

# HELLFIRE TI SELF-TIMING MUZZLE BRAKE - AREA 419 HELLFIRE-TI 40 CAL SELF TIMING MUZZLE BRAKE GRAY TITANIUM

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

HELLFIRE TI SELF-TIMING MUZZLE BRAKE The Hellfire has transformed the muzzle brake industry. Unmatched versatility, modularity, ease of use, and performance. With the original 3-Port Hellfire now 8 years old, and the family having grown to include the Hellfire 2P, the Hellfire LFS, and the Hellfire Match, along with a serious family of suppressor mounts, there was always something Area 419 wanted to make. Now, it's time. This is the Hellfire Ti. CNC Milled right here in Ohio with a Grade 5 6Al-4V Titanium main body, the Hellfire Ti is built for your hunting rifle, with the performance you'd expect on your Match rifle. Features Available in 30, 40, and 50 cal variants, to accommodate common hunting cartridges up to and including 450 Bushmaster and 50 Beowulf Stainless Steel collar for greater mounting strength and durability 2.8oz in 30cal (brake body and collar) - 30% lighter than the Hellfire OG 1.1" port diameter (27% more braking surface than the Hellfire OG) Brake assembly will add 2.5" from the thread shoulder (approx 1.9" added to OAL of barrel) Gray Titanium anodize, reducing glare Flatter first port to reduce blast Progressive upper port geometry to control muzzle flip Patented Hellfire Mount system, for great versatility Caliber Selection For these brakes, caliber selection is simple. If your rifle is a 30-cal rifle (or smaller) you select the ".30 and Under" option. This includes 308, 300 RUM, 30-06. 300 Win Mag, etc - or ANYTHING smaller (7mm, 6.5mm, etc.). If your rifle is 40 cal or smaller (but larger than 30 cal) you should select the ".40 and Under" option. This would include 338s, 357/9mm, etc. If your rifle is 50 cal or smaller (but larger than 40 cal) you should select the ".50 and Under" option. This would include 458s, 45/70, etc. This brake IS NOT RATED FOR 50 BMG.

## Attributes

- Name: [AREA 419 HELLFIRE-TI 40 CAL SELF TIMING MUZZLE BRAKE GRAY TITANIUM](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430112721
- Mfr. No.: 419HFTI-400-5824
- Caliber: 40 Caliber
- Finish: Gray
- Material: Titanium
- Threads: -
- Delivery weight: 0.227kg
- Shipping height: 51mm
- Shipping width: 89mm
- Shipping length: 152mm
- UPC: 810080183391

# Safety Instruction Guide for HELLFIRE TI SELFTIMING MUZZLE BRAKE

## Introduction

Thank you for choosing the HELLFIRE TI SelfTiming Muzzle Brake. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the HELLFIRE TI Muzzle Brake.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Use the HELLFIRE TI Muzzle Brake only with compatible calibers as specified in the product description.
- Regularly inspect the muzzle brake for any signs of wear or damage.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of muzzle brakes and firearms.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the HELLFIRE TI Muzzle Brake.
- Ensure that the muzzle brake is properly installed before firing.
- Do not use the muzzle brake with ammunition types that exceed its rated capabilities.
- Be aware of your surroundings and ensure a safe shooting environment to prevent accidents.
- If you experience any unusual sounds or performance issues while using the muzzle brake, cease use immediately and inspect the product.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Make sure your firearm is unloaded and pointed in a safe direction.
2. **Prepare the Muzzle Brake:** Remove any existing muzzle devices from the firearm.
3. **Clean the Threads:** Clean the threads on the barrel to ensure a proper fit.
4. **Install the Muzzle Brake:**
  - Thread the HELLFIRE TI Muzzle Brake onto the barrel until it is handtight.
  - Use a torque wrench to tighten the muzzle brake to the manufacturer's recommended specifications.
5. **Check Alignment:** Ensure that the ports of the muzzle brake are aligned properly with the rifle's bore.
6. **Final Inspection:** Doublecheck that the muzzle brake is securely attached before use.

### Usage

- Load your firearm according to the manufacturer's instructions.
- Fire the firearm with the HELLFIRE TI Muzzle Brake installed.
- Monitor the performance during use and check for any signs of malfunction.

## Disposal Instructions

- Dispose of the HELLFIRE TI Muzzle Brake in accordance with local regulations.
- Do not dispose of the product in regular household waste. Contact local waste management for proper disposal.

disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the HELLFIRE TI Muzzle Brake, please refer to the manufacturer's website or customer service for assistance. It is important to have a reliable source for safety inquiries.

This safety instruction guide is designed to help you use the HELLFIRE TI SelfTiming Muzzle Brake safely and effectively. Adhering to these guidelines will enhance your experience and ensure compliance with safety regulations. Thank you for prioritizing safety.
