SCOPE RAIL PICATINNY FOR BROWNING XBOLT®

Safety Instruction Guide

Introduction

Thank you for purchasing the SCOPE RAIL PICATINNY FOR BROWNING XBOLT®. This product is designed to enhance your shooting experience by providing a stable and secure mounting platform for your scope. It is important to read and follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is suitable for your Browning XBolt® model before use.
- Always inspect the product for any signs of damage before installation.
- Follow all instructions carefully to avoid accidents or injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the scope mounted on the rail.
- Ensure that all screws and fasteners are tightened securely before use.
- Avoid using the product in extreme weather conditions that could affect its performance.
- Do not modify the product in any way, as this could compromise safety.
- Always handle firearms responsibly and in accordance with local laws and regulations.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Gather all necessary tools, including the provided wrench.
- Ensure you are working in a clean, welllit area.

2. Mounting the Rail:

- Align the SCOPE RAIL PICATINNY with the mounting holes on your Browning XBolt®.
- Insert the screws through the rail into the mounting holes.
- Use the provided wrench to tighten the screws securely, ensuring the rail is firmly attached.

3. Scope Attachment:

- Place your scope onto the rail and adjust it to your desired position.
- Secure the scope using the appropriate rings or mounts, following the manufacturer's instructions.

4. Final Check:

- Doublecheck the tightness of all screws and mounts.
- Ensure that the scope is level and aligned properly.

Usage Instructions

- Always ensure your firearm is unloaded before installing or adjusting the scope.

- Check the stability of the scope after installation and before each use.
- Regularly inspect the rail and scope for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact local waste management for proper disposal methods.
