

MATCH SCOPE RING PICATINNY ACCESSORY RAIL

MATCH SCOPE RING PICATINNY ACCESSORY RAIL Dope Card? Level? Timer? Thumb Stop? IR Illum? Red Dot? Another Scope? Doesn't matter. This short picatinny section is made to attach to either side of your Area 419 Match Scope Rings and attach whatever your heart desires. Milled from billet 7075 aluminum in Area 419's Ohio facility, it's a well done section of picatinny, and that's most of what there is to say. It is about 1.85" long (5 studs, 4 slots) and can be mounted with a forward or rearward bias on either side of either ring.

MATCH SCOPE RING PICATINNY ACCESSORY RAIL

Safety Instruction Guide

Introduction

Thank you for choosing the MATCH SCOPE RING PICATINNY ACCESSORY RAIL. This guide provides essential safety information and instructions for the proper use, installation, and disposal of this product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in this guide.
- Regularly inspect the accessory rail for any signs of wear or damage before use.
- Keep the accessory rail out of reach of children and vulnerable individuals.
- If you notice any defects or issues during use, discontinue use immediately and consult a professional.
- Always follow local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Ensure that the MATCH SCOPE RING PICATINNY ACCESSORY RAIL is securely attached to the scope rings before use.
- Do not overload the accessory rail with equipment that exceeds its weight limit (0.45 lbs).
- Use only compatible accessories that are designed for Picatinny rails to prevent accidents or equipment failure.
- Avoid using the accessory rail in extreme weather conditions that could compromise its integrity.
- Always wear appropriate eye protection when using firearms equipped with this accessory.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Area 419 Match Scope Rings are clean and free of debris before installation.
- Position the MATCH SCOPE RING PICATINNY ACCESSORY RAIL on the desired side of the scope rings.
- Align the mounting holes of the accessory rail with the studs on the scope rings.
- Secure the rail using the provided screws, ensuring they are tightened adequately but not overtightened to avoid damaging the rail or scope rings.
- Confirm that the rail is firmly attached and does not move when pressure is applied.

2. Usage:

- Attach your desired accessories (e.g., dope card holders, timers) to the Picatinny rail as needed.
- Regularly check the tightness of the attachments during use to ensure they remain secure.
- If you choose to mount the rail with a forward or rearward bias, ensure that it does not interfere with the operation of the firearm or the scope.

Disposal Instructions

- Dispose of the MATCH SCOPE RING PICATINNY ACCESSORY RAIL in accordance with local waste management regulations.
- If the product is damaged or no longer usable, consider recycling the aluminum material where facilities exist.
- Do not dispose of the product in regular household waste if it can be recycled.

Contact Information for Further Support

For any questions or concerns regarding the MATCH SCOPE RING PICATINNY ACCESSORY RAIL, please reach out to the appropriate support channels provided by your retailer or manufacturer.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the MATCH SCOPE RING PICATINNY ACCESSORY RAIL. Always prioritize safety and compliance with local regulations while using this product. Thank you for your attention to these important guidelines.
