

MATCH SCOPE RING PICATINNY ACCESSORY RAIL - AREA 419

MATCH SCOPE RING PICATINNY ACCESSORY RAIL

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

MATCH SCOPE RING PICATINNY ACCESSORY RAIL Dope Card? Level? Timer? Thumb Stop? IR Illum? Red Dot? Another Scope? Doesn't matter. This short picatinny section is made to attach to either side of your Area 419 Match Scope Rings and attach whatever your heart desires. Milled from billet 7075 aluminum in Area 419's Ohio facility, it's a well done section of picatinny, and that's most of what there is to say. It is about 1.85" long (5 studs, 4 slots) and can be mounted with a forward or rearward bias on either side of either ring.

MATCH SCOPE RING PICATINNY ACCESSORY RAIL

Safety Instruction Guide

Introduction

Thank you for choosing the MATCH SCOPE RING PICATINNY ACCESSORY RAIL by AREA 419. This accessory is designed to enhance your shooting experience by providing additional mounting options for various accessories. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle the accessory with care to avoid injury.
- Ensure the accessory is compatible with your scope rings and other equipment.
- Regularly inspect the accessory for wear or damage before each use.
- Keep the accessory out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit of the accessory when mounting additional items.
- Ensure all attachments are securely fastened before use to prevent accidents.
- Avoid using the accessory in extreme conditions that could compromise its integrity.
- Be aware of your surroundings when using firearms and mounted accessories.
- Follow all local laws and regulations regarding firearm accessories.

Instructions for Installation and Usage

1. Installation

- Ensure that the area around the scope rings is clean and free of debris.
- Align the picatinny accessory rail with the desired mounting position on the scope ring.
- Use the provided screws to attach the accessory rail securely. Ensure all screws are tightened to prevent movement during use.

2. Usage

- After installation, check the stability of the mounted accessory before each use.
- Adjust the mounted accessories as needed for optimal performance.
- Always follow the manufacturer's guidelines for any accessories attached to the picatinny rail.

Disposal Instructions

- Dispose of the accessory in accordance with local regulations.
- Do not dispose of the accessory in regular household waste.
- Consider recycling options for aluminum components.

Contact Information for Further Support

For any queries or concerns regarding the MATCH SCOPE RING PICATINNY ACCESSORY RAIL, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for following these safety guidelines. Enjoy your shooting experience with the MATCH SCOPE RING PICATINNY ACCESSORY RAIL!
