

# HUNT SCOPE RINGS - HUNT 36MM DIAMETER MEDIUM (30MM) SCOPE RINGS

HUNT SCOPE RINGS Given the success of their MATCH and TACTICAL scope mounts, Area 419 knew what the HUNT rings needed to be. Light, rigid, and able to hold onto an optic in a dramatic recoiling environment. To do this was no small manufacturing task. This led us down a rabbit-hole, ultimately arriving on a process that gets you final-bore matched rings, with raw aluminum internals, for a grip on your optic that is more reliable and more true than anything else made. Like most rings, these begin as separate parts. Area 419 are making the bases and caps in batches. While many will make these parts, send them to anodize, and then just assemble, Area 419 produce around the extra steps. Once these parts return from anodize, they are fully assembled, placed back into specially produced rail fixtures, with the caps torqued to spec over specially made spacers (to give the rings space to torque down on the optic), and final-bored as sets in their world-class machining centers. Rings are then brought off the machine in sets, and packaged together so you know that your rings were made for one another, and you can rely on them for decades. Is it overkill? Probably. But Area 419 think it's the right way. So that's what Area 419 are going to do. NOTE: TO KEEP THE SIZE AND WEIGHT OF THESE RINGS TO A MINIMUM, THERE ARE NO ACCESSORY ATTACHMENT POINTS ON THESE RINGS. IF YOU WANT TO BE ABLE TO ADD ACCESSORIES TO YOUR RINGS, PLEASE CHECK OUT THEIR MATCH OR TACTICAL OFFERINGS. Specifications: Material: 7075 Aerospace Grade Billet Aluminum (with Stainless Steel Hardware) Coating: Type 3 Hardcoat Anodize (internal bore is raw aluminum) Weight: 4 oz/set (30mm Medium)

## Attributes

- Name: HUNT 36MM DIAMETER MEDIUM (30MM) SCOPE RINGS
- Manufacturer: AREA 419
- Product no.: 430112792
- Mfr. No.: 419-HUNT-3630
- Finish: Black
- Height: 2.25"
- Material: Aluminum
- Scope Tube Diameter: 30mm
- Size: Medium
- Style: Picatinny Rings
- Delivery weight: 0.272kg
- Shipping height: 25mm
- Shipping width: 127mm
- Shipping length: 241mm
- UPC: 810080183032

# HUNT SCOPE RINGS Safety Instruction Guide

## Introduction

Thank you for choosing the HUNT SCOPE RINGS. These scope rings are designed for optimal performance and reliability in various shooting environments. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Inspect the scope rings before each use for any signs of damage or wear.
- Do not exceed the recommended torque specifications during installation.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the scope rings are compatible with your optic and mounting system.
- Avoid using the scope rings in extreme temperatures or harsh weather conditions that may affect performance.
- Do not modify the scope rings or their components in any way.
- Use only the recommended accessories and attachments designed for these scope rings.
- Regularly check the tightness of the screws and components to maintain a secure fit.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools required for installation, including a torque wrench.
- Ensure that the mounting surface is clean and free from debris.

### 2. Installation Steps

- Align the scope rings with the mounting rail on your firearm.
- Place the scope in the rings and adjust its position to your preference.
- Securely tighten the ring caps using the provided screws, following the specified torque settings.
- Use specially made spacers to ensure proper spacing and torque application.

### 3. PostInstallation Check

- After installation, verify that the scope is securely mounted and does not shift.
- Conduct a test to ensure the alignment and accuracy of the scope.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and metal waste.
- Do not dispose of the product in household waste.
- Consider recycling the materials if possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the HUNT SCOPE RINGS, please refer to the manufacturer's website or customer support resources for assistance.

By adhering to these safety instructions, you can ensure a safe and effective experience with your HUNT SCOPE RINGS. Thank you for your attention to these important guidelines.
