

I.T.T.S. TRIGGER FOR GLOCK GEN 5 GRAY

TYRANT CNC I.T.T.S. TRIGGER FOR GLOCK GEN 5 Lightning-Fast Resets After Every Shot Launch a rapid-fire session at any time with the Glock Gen 5 trigger's superior trigger resets. The I.T.T.S. is armed with a 30 percent power spring to ensure lightning-fast resets after every shot. When this power spring is in use, the trigger and the sear become re-engaged and you can fire the pistol again with full force. Overall, the I.T.T.S. boasts a stronger reset over other standard triggers, making it one of the best-performing Glock triggers that you can find. Flat Faced Trigger Features Get the most out of your Glock Gen 5 trigger with this high-performing hybrid model. The Tyrant CNC I.T.T.S. is a cross between a curved trigger and a flat faced trigger, letting you enjoy the best of both worlds. With help from flat faced features, our Glock trigger helps ensure a uniform trigger pull with every shot. Curved Trigger Features Reap the benefits of a curved trigger along with a flat faced trigger when you use our Glock trigger. This trigger is intentionally designed with some of the best elements of a curved trigger to make every shot as efficient and direct as possible. One of the most notable benefits of the I.T.T.S. ergonomic design. Because this Glock trigger is highly influenced by the setup of a curved trigger, the trigger's lip has an enhanced curve feature that helps create consistency on initial and follow up shots. Additionally, you have the opportunity to benefit from the comfortable, intuitive setup of the I.T.T.S. The curved features of this product allow for a taller trigger, which helps provide a greater sense of comfort for users with larger hands. High Durability Enjoy your Glock Gen 5 trigger for years to come with help from its highly durable design. Every feature of this product is built to ensure that it lasts for an extended period of time, even with continued use. The I.T.T.S. is also made with set screws in lieu of pins to boost the strength and sturdiness of the trigger. Not only do these screws improve the overall performance of the product, but they also simplify every step of the maintenance process for optimal ease of use. Tyrant is proud to provide Non-OEM Glock parts.

Safety Instruction Guide for I.T.T.S. Trigger for Glock Gen 5

Introduction

Thank you for choosing the I.T.T.S. Trigger for Glock Gen 5. This guide provides essential safety instructions and information to help you use this product safely and effectively. It is important to read and understand all safety guidelines, precautions, and instructions before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that you use the I.T.T.S. Trigger in accordance with all safety guidelines to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Always check for updates from reliable sources.
- **Online Shopping Protections:** If purchased online, verify that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely away from minors.
- **EU Contact Point:** For any safety inquiries or concerns, refer to the appropriate EU-based contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products and recalls.

Specific Safety Precautions for Use

- **Installation:** Ensure that the trigger is installed by a qualified gunsmith to avoid improper fitting that could lead to malfunction.
- **Testing:** After installation, thoroughly test the trigger in a safe environment to confirm its functionality before regular use.
- **Maintenance:** Regularly inspect the trigger for wear and tear. Replace any damaged components immediately.
- **Handling:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- **Storage:** Store your firearm in a secure location, away from unauthorized users, especially children.
- **Usage:** Use the trigger only with compatible Glock models as specified in the product specifications.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any specific tools recommended by your gunsmith.
2. **Remove Existing Trigger:**
 - Unload your firearm completely.
 - Remove the existing trigger according to the manufacturer's instructions.
3. **Install I.T.T.S. Trigger:**
 - Carefully follow the installation instructions provided by Tyrant CNC or your gunsmith.
 - Ensure all components are securely fastened and that the trigger is aligned properly.
4. **Test Functionality:**
 - After installation, conduct a function test to ensure the trigger operates correctly.
 - Check for any unusual resistance or failure to engage.

Usage Instructions

- **Firearm Safety:** Always adhere to the fundamental rules of firearm safety.
- **Shooting Practice:** Start with controlled shooting sessions to familiarize yourself with the new trigger's performance.
- **Regular Checks:** Regularly check the trigger's performance and functionality during usage.

Disposal Instructions

- **Product Disposal:** When disposing of the I.T.T.S. Trigger, follow local regulations for hazardous waste and firearm components.
- **Environmental Considerations:** Do not dispose of the trigger in regular household waste. Ensure it is disposed of in an environmentally responsible manner.

Contact Information for Further Support

For more information, support, or inquiries regarding safety, please refer to the appropriate EU-based contact point or consult with a qualified gunsmith.

By following these guidelines, you can ensure a safe and enjoyable experience with your I.T.T.S. Trigger for Glock Gen 5. Always prioritize safety and proper handling when using firearms and firearm accessories.
