

I.T.T.S. TRIGGER FOR GLOCK GEN 5 - TYRANT CNC I.T.T.S. TRIGGER FOR GLOCK GEN 5 GOLD

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

TYRANT CNC I.T.T.S. TRIGGER FOR GLOCK GEN 5 Lightning-Fast Resets After Every Shot Launch a rapid-fire session at any time with the Glock Gen 5 trigger's superior trigger resets. The I.T.T.S. is armed with a 30 percent power spring to ensure lightning-fast resets after every shot. When this power spring is in use, the trigger and the sear become re-engaged and you can fire the pistol again with full force. Overall, the I.T.T.S. boasts a stronger reset over other standard triggers, making it one of the best-performing Glock triggers that you can find. Flat Faced Trigger Features Get the most out of your Glock Gen 5 trigger with this high-performing hybrid model. The Tyrant CNC I.T.T.S. is a cross between a curved trigger and a flat faced trigger, letting you enjoy the best of both worlds. With help from flat faced features, our Glock trigger helps ensure a uniform trigger pull with every shot. Curved Trigger Features Reap the benefits of a curved trigger along with a flat faced trigger when you use our Glock trigger. This trigger is intentionally designed with some of the best elements of a curved trigger to make every shot as efficient and direct as possible. One of the most notable benefits of the I.T.T.S. ergonomic design. Because this Glock trigger is highly influenced by the setup of a curved trigger, the trigger's lip has an enhanced curve feature that helps create consistency on initial and follow up shots. Additionally, you have the opportunity to benefit from the comfortable, intuitive setup of the I.T.T.S. The curved features of this product allow for a taller trigger, which helps provide a greater sense of comfort for users with larger hands. High Durability Enjoy your Glock Gen 5 trigger for years to come with help from its highly durable design. Every feature of this product is built to ensure that it lasts for an extended period of time, even with continued use. The I.T.T.S. is also made with set screws in lieu of pins to boost the strength and sturdiness of the trigger. Not only do these screws improve the overall performance of the product, but they also simplify every step of the maintenance process for optimal ease of use. Tyrant is proud to provide Non-OEM Glock parts. SPECIFICATIONS: Platform: Glock Designed For Models: G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, G35, G37, G38, G39 Glock Generation: Generation 5 Fitment Notes : Due to the precise modifications required to build a functional P80, we cannot guarantee that our parts will work in all P80 builds. We recommend using a certified gunsmith to ensure the accuracy and functionality of modifications, and performance of our parts. Purchase Includes: Note: Product does NOT come with a trigger bar! Safety Instruction Guide for I.T.T.S. Trigger for Glock Gen 5

Introduction

Thank you for choosing the I.T.T.S. Trigger for Glock Gen 5 by Tyrant CNC. This product is designed to enhance the performance of your Glock while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and maintain your trigger safely.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Use this product only with compatible Glock models: G17, G17L, G19, G22, G23, G24, G26, G27, G31, G32, G33, G34, G35, G37, G38, G39.
- Keep the product away from children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the trigger is installed correctly before using the firearm.
- Do not modify the trigger or any of its components without consulting a certified gunsmith.
- Use the trigger only as intended; avoid using it in any unauthorized manner.
- Be aware that the I.T.T.S. trigger features a stronger reset mechanism, which may require adjustment in your shooting technique.
- Use appropriate eye and ear protection while using the firearm equipped with this trigger.

Instructions for Installation and Usage

1. Installation Instructions:

- Ensure your Glock is unloaded and pointed in a safe direction.
- Remove the existing trigger by following the manufacturer's instructions.
- Install the I.T.T.S. trigger by securing it with the provided set screws.
- Confirm that the trigger is properly seated and functions correctly before reassembling the firearm.

2. Usage Instructions:

- Practice dry firing in a safe environment to become familiar with the trigger's feel and reset.
- When ready to fire, ensure that your grip is firm and your finger is off the trigger until you are prepared to shoot.
- Maintain focus on your target and the trigger pull to ensure accuracy and safety.

Disposal Instructions

- Dispose of this product in accordance with local regulations for electronic waste and firearm accessories.
- Ensure that all components are rendered unusable before disposal to prevent unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the I.T.T.S. Trigger for Glock Gen 5, please consult with a certified

gunsmith or contact the manufacturer directly for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your I.T.T.S. Trigger for Glock Gen 5. Thank you for your commitment to safety and responsible firearm ownership.
