

# MAGWELL FOR SIG SAUER P365 X-MACRO - GRAY

MAGWELL FOR SIG SAUER P365 X-MACRO CNC machined from high-quality 6061 aluminum, this P365 magwell is designed to enhance your shooting experience by providing a larger funnel for faster and smoother magazine changes. Modeled specifically for the P365 X Macro 17 round magazine and frame, this Tyrant CNC made magwell retains a slim profile to help prevent printing when concealed carrying. Faster reloads, seconds gained In a competition as well as real life, it can come down to microseconds. Time is critical no matter the situation, especially the vulnerable time between magazine changes. The enhanced ergonomics of the Sig Sauer P365 Magwell will reduce that vulnerable time. How it works The Tyrant CNC magwell for the Sig Super P365 X Macro attaches to the bottom of the P365 X Macro grip module by using a supplied screw. The Sig P365 X Macro Magwell is specifically engineered to fit seamlessly onto your P365 without any modifications. It offers a slim profile and ergonomic shape that upgrades the overall look and feel of your firearm. With its extremely precise machining and aluminum construction, you can rest assured that this X Macro magwell will thrive in hard-use conditions. Made to Fit After reverse engineering and modeling the P365 macro grip module, we carefully built out our P365 X Macro magwell. Tyrant CNC made sure to have enough tolerance for any deviation the grip module molds may have, yet ensured there was still a tight fit/lock up around the grip module. The result? A tight-fitting and accommodating magwell! Perfect for Everyday Carry Low profile to not print when conceal carrying, yet robust enough to help funnel mags under duress. This magwell will also add surface area to your grip module, acting as a pinky rest and as well as gives the operator additional leverage to combat recoil. SPECIFICATIONS: Platform: Sig-Sauer Designed For Models: P365 Fitment Notes: Fits P365 XMacro grip module only Compatible with OEM 17rnd magazine Compatible with Tyrant 365 magazine extension Fits on California compliant versions Features: Flared and funneled for guided reloads Matching aesthetics Slim Profile Purchase Includes: Magwell Screw/nut

# Safety Instruction Guide for MAGWELL FOR SIG SAUER P365 XMACRO

## Introduction

Thank you for purchasing the MAGWELL FOR SIG SAUER P365 XMACRO. This product is designed to improve your shooting experience by allowing for faster and smoother magazine changes. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Ensure the product is used only as intended and in accordance with the manufacturer's instructions.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and accessories securely to prevent unauthorized access, especially from children.
- Regularly inspect the magwell for any signs of wear or damage before use.
- Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.

## Specific Safety Precautions for Use

When using the MAGWELL FOR SIG SAUER P365 XMACRO, please observe the following precautions:

- Do not attempt to modify or alter the magwell in any way, as this may compromise its safety and functionality.
- Ensure that the magwell is properly installed before using the firearm.
- Always use compatible magazines as specified in the product description.
- Avoid using the firearm in wet or muddy conditions, which may affect the performance of the magwell.
- If you experience any malfunction or difficulty during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

Follow these steps for the proper installation and use of the MAGWELL FOR SIG SAUER P365 XMACRO:

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip module if necessary.
- Align the magwell with the bottom of the P365 X Macro grip module.
- Use the supplied screw to securely attach the magwell to the grip module.
- Ensure that there are no gaps between the magwell and grip module, confirming a tight fit.

### 2. Usage:

- When reloading, ensure that the magazine is aligned with the flared opening of the magwell.
- Insert the magazine firmly until it locks into place.
- Practice reloading in a safe environment to become familiar with the enhanced ergonomics of the magwell.

## Disposal Instructions

When disposing of the MAGWELL FOR SIG SAUER P365 XMACRO, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal of aluminum and firearm accessories.
- If the product is damaged or no longer usable, consider recycling the aluminum components.

## Contact Information for Further Support

For any questions or concerns regarding the MAGWELL FOR SIG SAUER P365 XMACRO, please refer to the manufacturer's website or contact their customer support for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your MAGWELL FOR SIG SAUER P365 XMACRO. Always prioritize safety and adhere to all guidelines provided. Thank you for your attention to these important safety measures.
