

HUNTER LITE STOCK FOR REMINGTON 700 SHORT ACTION BLACK

MAGPUL HUNTER LITE STOCK FOR REMINGTON 700 SHORT ACTION The Hunter Lite – Remington 700 Short Action is a purpose-built hunting stock designed for Remington 700 rifles and Remington 700-pattern rifles chambered in short-action calibers. The Hunter Lite streamlines Magpul's original Hunter Stocks to reduce the weight and slim the dimensions, providing a fully featured upgrade that's lighter and more maneuverable during their outdoor pursuits. The result is a stock that weighs almost 25% less and has a forend that's almost 25% narrower than their original Hunter 700 Stock. The Hunter Lite Stock– Remington 700 Short Action is convertible to both right and left-handed rifles by simply swapping out the included inserts in the stock. Receiver support is provided by an extruded aluminum V-bedding block and reinforced steel pillars, enhancing consistency and accuracy. Its strength and firing dependability are supported by the extruded aluminum V-bedding block that features reinforced steel pillars to prevent compression and deformation while shooting. Featuring enhanced ergonomics, the buttstock and forend have integral sling swivel studs for use with a variety of slings and bipods. The buttstock includes removable half-inch spacers to enable LOP adjustments and snap-on cheek risers to create adjustable comb height. An enlarged trigger guard allows comfortable use with gloves and easy access to the ambidextrous magazine release. The magazine well features stamped steel over-insertion tabs to ensure repeatable, proper presentation of the loaded magazine. The forend also features multiple M-LOK® slots to accommodate your choice of M-LOK accessories and it's compatible with barrel profiles up to Medium Palma. Made in the USA. SPECIFICATIONS: Platform: Remington® 700 Compatibility: Short-action Remington 700 rifles and Remington 700-pattern receivers with barrel contours up to Medium Palma. Because of the integral magazine well, it is not compatible with Remington hinged floor plates. Butt-Pad Dimensions: 1.5 x 4.9 in. Length of Pull: 13-15 in. LOP using included spacers Weight : 2.4 lbs Width of Butt, max: 1.5 in. (no Riser) - 1.75 in. (with Riser) Width of Stock, max: 1.75 in. *NOTE: Compatible with aftermarket barrel profiles up to a Medium Palma (0.920" dia. 5.50" forward of the breech) Accepts ALL factory Remington barrels including VTR triangular barrel contours Accepts most factory and aftermarket triggers

HUNTER LITE STOCK FOR REMINGTON 700 SHORT ACTION Safety Instruction Guide

Introduction

Thank you for choosing the HUNTER LITE STOCK FOR REMINGTON 700 SHORT ACTION. This guide provides important safety instructions and usage guidelines to ensure your safety and the safe operation of your rifle. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that your shooting area is clear of people and obstacles.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and stock for wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- Ensure that the stock is properly installed on the Remington 700 Short Action rifle before use.
- Be cautious of the weight and balance of the rifle; the Hunter Lite Stock is designed to be lightweight but may feel different than your previous stock.
- Always wear appropriate eye and ear protection when shooting.
- Avoid using the stock with ammunition that exceeds the manufacturer's specifications for your rifle.
- Do not modify or alter the stock in any way that could affect its performance or safety.
- Ensure that the magazine well is clear of obstructions before loading the magazine.
- Use the stock only with compatible Remington 700 shortaction rifles and avoid using it with incompatible models.

Instructions for Installation and Usage

Installation

1. Remove the Existing Stock:

- Ensure the rifle is unloaded.
- Remove the action from the existing stock by unscrewing the action screws.

2. Install the Hunter Lite Stock:

- Place the rifle action into the Hunter Lite Stock.
- Align the action with the bedding block and ensure it is seated properly.
- Secure the action using the provided action screws. Tighten them to the manufacturer's specifications.

3. Adjust Length of Pull (LOP):

- Use the included spacers to adjust the length of pull as needed.
- Ensure the spacers are securely in place.

4. Attach Sling Swivel Studs:

- If using slings or bipods, attach them to the integral sling swivel studs.

Usage

- Always check that the stock is securely attached before shooting.
- Adjust the cheek riser to achieve a comfortable and proper cheek weld.
- Ensure that the trigger guard is free from obstructions and allows for easy access.
- When using the stock, maintain a firm grip and be aware of the rifle's balance and weight distribution.

Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the stock in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the HUNTER LITE STOCK FOR REMINGTON 700 SHORT ACTION, please reach out to your local dealer or the manufacturer's customer service department. Ensure you have your product details available for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safer experience when using the HUNTER LITE STOCK FOR REMINGTON 700 SHORT ACTION. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important details.
