# Safety Instruction Guide for 5.56X45 NATO Chrome Plated Bolt for AR15

## Introduction

Thank you for purchasing the 5.56X45 NATO Chrome Plated Bolt for AR15 from KAK Industry LLC. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms and firearm components, including bolts, with care and respect.
- Store the product in a secure location, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling firearm components.
- Do not use the bolt if it shows any signs of damage or wear.
- Ensure that the bolt is compatible with your AR15 carrier before installation.
- Do not attempt to modify or alter the bolt in any way.
- Follow all local laws and regulations regarding the use of firearms and firearm components.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and components for installation.

### 2. Installation

- Remove the existing bolt from the AR15 carrier if applicable.
- Insert the 5.56X45 NATO Chrome Plated Bolt into the carrier, ensuring proper alignment.
- Secure the bolt in place according to the manufacturer's specifications.
- Ensure that the bolt is fully seated and locked into position.

### 3. Usage

- Before firing, doublecheck that the firearm is properly assembled and that the bolt is securely in place.
- Follow standard operating procedures for firing your AR15.
- After use, clean and inspect the bolt and carrier assembly for any residue or wear.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm components.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider contacting a local recycling facility that accepts

metal components.

## **Contact Information for Further Support**

For any questions or concerns regarding the 5.56X45 NATO Chrome Plated Bolt for AR15, please refer to the manufacturer's website or contact their customer support team for assistance.

By following these guidelines, you can ensure the safe and effective use of your 5.56X45 NATO Chrome Plated Bolt for AR15. Thank you for prioritizing safety!
