# AR15 Bolt Carrier Completion Kit Safety Instructions

## Introduction

Thank you for choosing the AR15 Bolt Carrier Completion Kit. This guide provides important safety instructions and guidelines for the safe use and installation of your product. Please read this document carefully to ensure proper handling and maintenance of the kit.

## General Safety Guidelines

- Always follow local laws and regulations regarding the use of firearms and firearm components.
- Ensure that you are of legal age to purchase and use this product.
- Store the kit in a secure location, out of reach of children and unauthorized users.
- Inspect all components for damage before use. Do not use damaged parts.
- Only use the kit with compatible AR15 or M16 platforms.
- Keep the workspace clean and organized to avoid accidents during installation and usage.
- Wear appropriate safety gear, including eye protection, when handling firearm components.

## Specific Safety Precautions for Use

- The firing pin and cam pin are made of highstrength materials. Handle with care to avoid injury.
- Avoid contact with the firing pin during installation to prevent accidental discharge.
- Ensure that the bolt carrier assembly is properly installed before using your firearm.
- Do not modify or alter any parts of the kit. Unauthorized modifications can lead to malfunctions or accidents.
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including screwdrivers and wrenches.
- Ensure that the firearm is unloaded and in a safe condition.

### 2. Installation Steps

- Remove the existing bolt carrier group from the firearm.
- Install the new firing pin by aligning it with the bolt carrier and inserting it into place.
- Insert the cam pin into the bolt carrier, ensuring it is properly aligned.
- Attach the firing pin retaining pin by inserting it through the designated hole in the bolt carrier.
- Doublecheck that all components are securely installed and function correctly.

### 3. Usage

- After installation, perform a function check to ensure proper operation.
- Follow manufacturer guidelines for the operation of your firearm.
- Regularly inspect the bolt carrier group for wear and tear.

## Disposal Instructions

- Dispose of any damaged or worn components responsibly. Do not discard them in regular trash.
- Check local regulations for proper disposal methods of firearm components.
