Safety Instruction Guide for 5.56 NATO A2 Birdcage Flash Hider for AR15

Introduction

Thank you for choosing the 5.56 NATO A2 Birdcage Flash Hider for your AR15. This guide provides essential safety information and instructions for the proper use and installation of this product. Please read this manual carefully to ensure safe handling and compliance with safety regulations.

General Safety Guidelines

- Ensure that the flash hider is compatible with your specific AR15 model before installation.
- Always handle firearms and firearm accessories with care, following all local laws and regulations.
- Store this product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the flash hider for any signs of wear or damage before use.
- If you notice any irregularities, do not use the flash hider and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunctions or accidents.
 - Exposure to extreme heat or pressure may cause the flash hider to fail.
- **Avoiding Hazards:**
 - Ensure the firearm is unloaded before installation or maintenance.
 - Use appropriate tools and follow installation instructions carefully.
 - Do not exceed the recommended torque specifications when installing the flash hider.
- **Age Restrictions:**
 - This product is intended for use by individuals aged 18 years and older. Ensure that all users are of legal age and have received proper training in firearm safety.

Instructions for Installation and Usage

1. **Preparation:**
 - Ensure the firearm is unloaded and pointed in a safe direction.
 - Gather the necessary tools: a wrench for the 1/2x28 thread and a crush washer (not included).
2. **Installation:**
 - Remove the existing muzzle device if applicable.
 - Clean the threads on the barrel and ensure they are free from debris.
 - Place the crush washer onto the barrel.
 - Screw the flash hider onto the barrel, aligning it with the threads.
 - Use the wrench to tighten the flash hider to the manufacturer's specifications, ensuring it is secure but not overtightened.
3. **Usage:**
 - Once installed, the flash hider is designed to reduce visible flash when firing.
 - Regularly check the stability of the flash hider during use and after firing sessions.

Disposal Instructions

- Dispose of this product in accordance with local regulations regarding firearm accessories.
- Do not dispose of in household waste. Contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support
