Safety Instruction Guide for the Ultimate Tool Carrier for Ultimate Turret Press

Introduction

Thank you for choosing the Ultimate Tool Carrier for the Ultimate Turret Press by Lee Precision. This product is designed to enhance your reloading experience by providing a reliable and efficient tool carrier. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the Ultimate Tool Carrier is used only for its intended purpose, which is to support the Ultimate Turret Press.
- Always inspect the product for any visible damage before use. Do not use if any parts are damaged or missing.
- Keep the Ultimate Tool Carrier out of reach of children and pets to prevent accidents.
- Follow all instructions provided in the user manual for safe operation.
- Use protective eyewear and gloves when handling reloading materials.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the recommended die positions (4, 5, or 6) as specified in the product description. Overloading may lead to malfunction or injury.
- **Proper Handling:** Always handle the Ultimate Tool Carrier with care. Avoid dropping or striking it against hard surfaces.
- **Secure Installation:** Ensure that the tool carrier is securely attached to the turret press before use. Loose connections can lead to accidents.
- **Use Compatible Components:** Only use Lee Breech Lock bushings with the Ultimate Tool Carrier to ensure proper functionality and safety.
- **Work in a WellLit Area:** Ensure that your workspace is welllit to prevent accidents and ensure proper handling of tools and materials.
- **Avoid Distractions:** Focus on your work while using the Ultimate Tool Carrier. Avoid distractions that could lead to accidents.

Instructions for Installation and Usage

1. Unboxing and Inspection:

- Carefully remove the Ultimate Tool Carrier from the packaging.
- Inspect all components for any signs of damage or defects.

2. Installation:

- Position the Ultimate Tool Carrier on the Ultimate Turret Press.
- Align the die positions according to your reloading needs.
- Securely attach the Ultimate Tool Carrier to the turret press using the provided hardware.

3. Usage:

- Insert the Lee Breech Lock bushing into the designated die position.
- Follow the reloading instructions specific to your turret press model.
- Regularly check that all connections remain tight during operation.

4. PostUse Care:

- After use, clean the Ultimate Tool Carrier to remove any debris or residue.
- Store the tool carrier in a dry and safe location away from moisture and direct sunlight.

Disposal Instructions

- Dispose of the Ultimate Tool Carrier in accordance with local regulations.
- If the product is no longer usable, consider recycling it if possible.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Ultimate Tool Carrier, please refer to the manufacturer's contact information provided in the product packaging or user manual.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the Ultimate Tool Carrier for the Ultimate Turret Press. Always prioritize safety and adhere to the guidelines provided to prevent accidents and injuries. Thank you for your attention to safety.
