Safety Instruction Guide for TALL & SHORT 5 TUBE CASE FEED SLIDERS

Introduction

Thank you for choosing the TALL & SHORT 5 TUBE CASE FEED SLIDERS by LEE PRECISION. This product is designed to enhance your reloading experience by providing reliable case feeding for your 5tube case feed magazine. It is essential to understand the safety guidelines and instructions for proper use to ensure your safety and the longevity of the product. This guide complies with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always read and follow all instructions and warnings before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- In case of any accidents or unsafe conditions, report them to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when using the product.
- Do not overload the case feed magazine beyond its specified capacity.
- Ensure that the area around the product is clear of any obstructions or hazards.
- Be cautious when handling the product to avoid pinching or other injuries.
- Do not attempt to modify or repair the product yourself; seek professional assistance if needed.
- Follow all local regulations regarding the safe handling and storage of reloading materials.

Instructions for Installation and Usage

1. Installation

- Unpack the TALL & SHORT 5 TUBE CASE FEED SLIDERS carefully.
- Inspect all components for any damage or defects.
- Identify the correct orientation for the sliders as per the product diagram provided.
- Securely attach the sliders to the 5tube case feed magazine, ensuring they are properly aligned.

2. Usage

- Load the case feed magazine according to the manufacturer's instructions.
- Ensure that the sliders move freely and do not obstruct the case feeding process.
- Monitor the operation of the sliders during use to ensure they function correctly.
- If any issues arise during operation, cease use immediately and inspect for any blockages or damage.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the TALL & SHORT 5 TUBE CASE FEED SLIDERS, please consult the manufacturer or your point of purchase for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
