FULL MESH DUAL PAD SHOOTING VEST SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BOB ALLEN FULL MESH DUAL PAD SHOOTING VEST. This vest is designed for comfort and functionality while ensuring safety during shooting activities. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Always wear appropriate safety gear, including eye and ear protection when shooting.
- Ensure the vest fits properly to avoid any obstruction during movement.
- Regularly inspect the vest for any signs of wear or damage before each use.
- Store the vest in a cool, dry place away from direct sunlight to prevent material degradation.
- Be aware of your surroundings and follow all local laws and regulations regarding shooting activities.

Specific Safety Precautions for Use

- **Mesh Construction:** The mesh design provides ventilation but does not provide ballistic protection. Always maintain awareness of your shooting environment.
- **Dual Pads:** Ensure that the dual pads are properly positioned for comfort and support. Adjust the side tabs for a secure fit.
- **InsertAPad Compatibility:** Use only approved pads for the insert pocket. Unauthorized pads may compromise safety and comfort.
- **Bellowed Front Shell Box Pockets:** Keep these pockets free of unnecessary items to avoid interference while shooting.
- **Rear Mesh Hull Pouch:** Ensure this pouch is secured and free of debris to maintain functionality.

Instructions for Installation and Usage

1. Fitting the Vest:

- Put on the vest and adjust the side tab for a snug fit.
- Ensure the dual pads are positioned comfortably on your shoulders.

2. Using the InsertAPad:

- Open the interior pocket designed for the InsertAPad.
- Insert the approved pad and secure it in place.

3. Storing Items:

- Use the bellowed front shell box pockets for storing ammunition and other shooting essentials.
- Ensure that items stored do not exceed the pocket capacity to avoid bulging or discomfort.

4. PostUse Care:

- After use, shake out any debris or shells from the vest.
- Check for any damage or wear and clean the vest according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the vest responsibly at the end of its life cycle.
- If the vest is damaged beyond repair, consider recycling materials where possible.
- Always follow local regulations for disposal of textile products.
