General Safety Guidelines

- Ensure that the vest is suitable for your size and intended use.
- Always inspect the vest for any signs of damage before each use.
- Avoid using the vest in extreme weather conditions that may compromise its integrity.
- Keep the vest clean and free from debris to ensure proper ventilation.
- Store the vest in a cool, dry place when not in use.

Specific Safety Precautions for Use

- **Mesh Construction:** The mesh material enhances ventilation and reduces weight. Avoid using the vest in situations where it may become snagged or torn.
- **Dual Pads:** The dual pads are designed for left or righthanded shooters. Ensure that the pads are securely in place before use.

- **Bellowed Front Shell Box Pockets:** Use these pockets to store ammunition safely. Do not overload pockets to avoid discomfort or potential hazards.
- **Rear Mesh Hull Pouch:** This pouch is designed for hull storage. Ensure it is emptied regularly to maintain balance and comfort.
