FULL MESH DUAL PAD SHOOTING VEST SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BOB ALLEN Full Mesh Dual Pad Shooting Vest. This vest is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use and care for your vest in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the vest is worn correctly to avoid any risk of injury.
- Regularly inspect the vest for any signs of wear or damage.
- Keep the vest away from fire and extreme heat sources.
- Store the vest in a cool, dry place when not in use.
- Always follow the safety instructions provided by your shooting range or instructor.

Specific Safety Precautions for Use

- **Mesh Construction:** The mesh material is designed for ventilation but does not provide protection against sharp objects or extreme weather conditions. Avoid using the vest in environments where it could be exposed to such hazards.
- **Dual Pads:** Ensure that the dual pads are properly positioned for your shooting preference (left or righthanded) to maintain comfort and stability during use.
- **Side Tab Adjustment:** Adjust the side tabs to achieve a snug fit. A loose vest may cause distraction or hinder your movements.
- **Interior Pocket:** Use the interior pocket only for the intended InsertAPad compatibility. Do not overload the pocket with heavy items.
- **Bellowed Front Shell Box Pockets:** These pockets are designed for shell storage. Ensure they are securely closed when not in use to prevent accidental spillage.
- **Rear Mesh Hull Pouch:** Use this pouch for hull storage only. Ensure it is emptied regularly to avoid excess weight and maintain balance.

Instructions for Installation and Usage

1. Wearing the Vest:

- Slip the vest over your shoulders.
- Adjust the side tabs to fit snugly against your body.
- Ensure that the dual pads are positioned correctly for your shooting style.

2. Using the Pockets:

- Store only lightweight items in the bellowed front shell box pockets.
- Use the interior pocket for InsertAPad only.
- Ensure the rear mesh hull pouch is used for hulls and emptied after each use.

3. Maintenance:

- Clean the vest with a damp cloth if it becomes dirty.
- Avoid using harsh chemicals or bleach, as these can damage the material.
- Store the vest in a dry place away from direct sunlight.

Disposal Instructions

- When the vest reaches the end of its life cycle, dispose of it responsibly.
- Check local regulations for textile recycling or disposal options.
- Do not dispose of the vest in regular household waste if it can be recycled.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BOB ALLEN Full Mesh Dual Pad Shooting Vest, please refer to the EUbased contact point provided by the manufacturer or visit the official website for further assistance.

Conclusion

By following these safety instructions, you will enhance your shooting experience while ensuring your safety and the safety of those around you. Always prioritize safety and be aware of your surroundings while using the vest. Thank you for your attention and enjoy your shooting activities!
