SHOTGUNNER S GLOVES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the SHOTGUNNER S GLOVES by BOB ALLEN. These gloves are designed to provide comfort and performance during shooting activities in hot and humid conditions. This safety instruction guide is intended to ensure your safe use of the gloves while adhering to the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the gloves are suitable for your intended use and fit properly.
- Regularly inspect the gloves for any signs of wear or damage before each use.
- Keep the gloves away from fire, sharp objects, and chemicals to prevent damage.
- Do not use the gloves if they are wet or damaged, as this may affect your grip and safety.
- Always follow local laws and regulations regarding shooting and firearm handling.
- Be cautious when handling firearms; ensure they are pointed in a safe direction at all times.

Specific Safety Precautions for Use

- Ensure a snug fit by adjusting the wrist strap before use. This will help prevent the gloves from slipping off during activities.
- Avoid using the gloves with wet hands or in excessively wet conditions, as this may reduce grip performance.
- Do not use the gloves for activities other than shooting or handling firearms, as they are specifically designed for these purposes.
- Be aware of your surroundings and any potential hazards while wearing the gloves.
- If you experience any discomfort or irritation while using the gloves, discontinue use immediately.

Instructions for Installation and Usage

1. Fitting the Gloves:

- Select the correct size based on the sizing chart provided (available in sizes XS to 3XL).
- Place your hand inside the glove, ensuring that your fingers fit comfortably in each finger compartment.
- Adjust the wrist strap for a secure and comfortable fit.

2. Using the Gloves:

- Before using the gloves, ensure they are clean and dry.
- When handling a firearm, maintain a proper grip using the ultrasuede palm for superior performance.
- Take breaks as needed to prevent fatigue and ensure continued safety while shooting.

3. Cleaning the Gloves:

- The gloves are machine washable. Follow these steps:
 - Remove any debris or dirt from the gloves.
 - Place the gloves in a mesh laundry bag to protect them during washing.
 - Wash on a gentle cycle with mild detergent and cold water.
 - Allow the gloves to air dry completely before the next use.

Disposal Instructions

- Dispose of the gloves responsibly. If they are damaged beyond repair, consider recycling the materials if possible.
- Check with local waste management for guidelines on disposing of textile products.
