General Safety Guidelines

- Always inspect the pouch before use for any signs of damage or wear.
- Ensure that the pouch is used only for its intended purpose.
- Keep the pouch out of reach of children when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Material Safety:** The pouch is made from durable ripstop nylon. Avoid exposure to sharp objects that may cause punctures.
- **Weight Limitations:** Do not overload the pouch beyond its capacity, as this may cause damage or make it difficult to carry.

- Position the pouch on your waist, ensuring it is comfortably aligned.
- Ensure that the pouch does not obstruct your movement while walking or bending.
