## Safety Instruction Guide

### Introduction

Thank you for choosing the BOB ALLEN TOP GUN STRUCTURED MESH SHELL POUCH. This guide provides essential safety information and instructions to ensure safe usage of the product. Please read this manual carefully before use to understand how to handle and maintain your shell pouch safely.

### General Safety Guidelines

- Always inspect the pouch for any signs of damage before use.
- Do not overload the pouch beyond its intended capacity.
- Ensure that all zippers and compartments are securely closed during transport.
- Keep the pouch away from sharp objects that could puncture or damage it.
- Store the pouch in a cool, dry place when not in use.
- Be cautious of the pouch's weight when filled, as it may affect balance and mobility.
- Always supervise children when using this product, as it contains small parts.

### Specific Safety Precautions for Use

- **Material Safety:** The pouch is made of nylon, which is durable but can be damaged by extreme heat or direct flames. Keep away from heat sources.
- **Spring Opening:** Exercise caution when using the spring opening feature to avoid pinching fingers.
- **Zippered Bottom:** Ensure the zippered bottom is fully closed to prevent contents from falling out during movement.
- **Handicap Shell Holders:** Ensure that shell holders are used properly to avoid accidental release of shells.
- **Weight Capacity:** The mesh compartment holds up to 100 empty hulls. Do not exceed this limit to maintain structural integrity.

### Instructions for Installation and Usage

#### 1. Filling the Pouch:

- Open the zippered bottom to access the main compartment.
- Place one box of shotgun shells in the top compartment.
- Fill the mesh compartment with up to 100 empty hulls, ensuring they are secured.

#### 2. Using the Towel Rings:

- Attach a towel or cloth securely to the towel rings for easy access during use.

#### 3. Attaching to a Belt:

- Use the reinforced metal belt clips to attach the pouch to your belt.
- Ensure the clips are securely fastened and check for stability before use.

#### 4. Transporting the Pouch:

- When transporting, ensure all compartments are closed.
- Carry the pouch using the reinforced clips for added support.

## **Disposal Instructions**

- Dispose of the pouch responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods of nylon materials.
- If the pouch is damaged or no longer functional, consider recycling it if possible.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the safety and usage of the BOB ALLEN TOP GUN STRUCTURED MESH SHELL POUCH, please refer to the contact information provided by the retailer or manufacturer.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your BOB ALLEN TOP GUN STRUCTURED MESH SHELL POUCH. Stay informed about safety recalls and updates through the EU's Safety Gate platform to ensure continued compliance with safety regulations. Thank you for choosing our product!
