AR 308 Enhanced Buffer Carbine Safety Instructions

Introduction

Thank you for choosing the AR 308 Enhanced Buffer Carbine. This product is designed for safe and effective use in .308 applications. This safety instruction guide provides essential information to ensure your safety and the optimal performance of your buffer carbine. Please read this guide carefully before use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a safe backdrop when shooting.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your equipment for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.
- Use only compatible parts and accessories with your AR 308 Enhanced Buffer Carbine.

Specific Safety Precautions for Use

- Ensure that the buffer carbine is properly installed before use.
- Use only .308 ammunition that is compatible with your firearm.
- Do not exceed the manufacturer's recommended specifications for use.
- Be cautious of hot surfaces after firing; allow the firearm to cool down.
- Always wear appropriate safety gear, including eye and ear protection.
- Avoid using the firearm in wet or damp conditions to prevent corrosion.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Remove Existing Buffer:

- Disassemble the buffer tube according to the manufacturer's instructions.
- Carefully remove the existing buffer.

3. Install the Enhanced Buffer:

- Take the PWS Enhanced 4140 Steel Body H2 .308 Short Buffer.
- Insert the Enhanced Buffer into the buffer tube, ensuring it is seated properly.

4. Reassemble:

- Reattach the buffer tube and ensure all components are securely fastened.

5. Final Check:

- Inspect the installation to confirm that everything is in place and functioning correctly.

Usage

- Load the firearm with compatible .308 ammunition.
- Ensure the safety is engaged until you are ready to shoot.
- Aim at your target and disengage the safety.
- Fire the firearm while maintaining control and awareness of your surroundings.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the buffer or any firearm components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR 308 Enhanced Buffer Carbine, please refer to the manufacturer's contact information or consult your local dealer. Always ensure that you have the most current information regarding safety and product updates.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your AR 308 Enhanced Buffer Carbine are of utmost importance. Enjoy your shooting experience responsibly.
