

NANUK 980 PROTECTIVE HARD CASE - NANUK 980 HARD PROTECTIVE CASE WITH FOAM, BLACK

NANUK 980 PROTECTIVE HARD CASE The NANUK 980 is a mid-size, long case that's versatile enough to protect not-so-long gear, lots of smaller gear, or both. Not as lengthy as our Long Cases, but twice as long as some of our Medium Cases, it's built to protect valuable equipment in tough conditions. Not as lengthy as our Long Cases, but twice as long as some of our Medium Cases, it's built to protect valuable equipment in tough conditions. The NANUK 980 is designed with deeper ribs that give it better stability for stacking, storage, transport and quick access. At the same time, it's just the right size and light enough for personal carry. Like all NANUK waterproof protective cases, the 980 is made of crushproof NK-7 resin certified to withstand extreme impact and continuous vibration – in other words, it's indestructible. It's also equipped with an oversized spring-loaded carry handle as well as four (4) of our legendary Power Claw latches and will never open accidentally. The 980 comes with our lifetime warranty, your assurance that we build cases to protect your most valuable gear for life. **SPECIFICATIONS:** Exterior Size (LxWxH): 9.9 in x 16.2 in x 7.3 in 760 mm x 412 mm x 186 mm Interior Size (LxWxH): 26.9 in x 13.3 in x 6.2 in 683 mm x 338 mm x 157 mm Volume: 36.34 L Weight (Empty): 10.8 lb | 4.9 kg Lid Depth: 1.5 in | 38 mm Base Depth: 4.6 in | 117 mm Temperature Range: Min -67°F (-55°C) | Max 158°F (70°C) Max Buoyancy: 95.7 lb | 43.4 kg Padlock Holes: 0.34 in | 7.62 mm Material: Lightweight NK-7 resin Warranty: Lifetime warranty & 30-day satisfaction warranty Airline Carry On: No

NANUK 980 Protective Hard Case Safety Instructions Guide

Introduction

Thank you for choosing the NANUK 980 Protective Hard Case. This guide provides important safety instructions to ensure the safe use and handling of your hard case. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the case is used only for its intended purpose: protecting valuable equipment.
- Regularly inspect the case for any signs of damage or wear. Do not use if damaged.
- Keep the case away from extreme temperatures and direct sunlight for prolonged periods.
- Ensure the case is closed securely before transporting to prevent accidental opening.
- When stacking cases, ensure they are stable to avoid tipping or falling.

Specific Safety Precautions for Use

- Do not exceed the maximum buoyancy limit of 95.7 lb (43.4 kg) to avoid compromising the case's integrity.
- Avoid placing excessively heavy items in the case that could lead to deformation or damage.
- Keep the case out of reach of children to prevent misuse or injury.
- Use caution when lifting or carrying the case, especially when it is fully loaded.
- Ensure that the case's latches are fully engaged before moving it.

Instructions for Installation and Usage

1. Loading Equipment:

- Open the case by releasing the Power Claw latches.
- Place your equipment inside the case, ensuring it is well-supported and cushioned by the foam.
- Close the lid and engage all latches securely.

2. Transporting the Case:

- Use the oversized springloaded carry handle for comfortable transport.
- Carry the case with both hands if it is heavy to maintain balance and control.

3. Stacking Cases:

- When stacking multiple NANUK cases, ensure that the bottom case is stable and level.
- Align the cases carefully to prevent them from slipping or falling.

4. Cleaning and Maintenance:

- Clean the exterior of the case with a damp cloth. Avoid using harsh chemicals.
- Check the foam interior for wear and replace if necessary for optimal protection.

Disposal Instructions

- Dispose of the case in accordance with local regulations for plastic waste.
- Do not incinerate the case as it may release harmful substances.
- If the case is no longer usable, consider recycling it if facilities are available in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding the NANUK 980 Protective Hard Case, please refer to the manufacturer's website or contact your local distributor.

Conclusion

By following these safety instructions, you can ensure the longevity and effectiveness of your NANUK 980 Protective Hard Case. Always prioritize safety when using and transporting your equipment. Thank you for your attention to these guidelines.
