NANUK 980 PROTECTIVE HARD CASE The NANUK 980 is a mid-size, long case that's versatile enough to protect not-so-long gear, lots of smaller gear, or both. Not as lengthy as our Long Cases, but twice as long as some of our Medium Cases, it's built to protect valuable equipment in tough conditions. Not as lengthy as our Long Cases, but twice as long as some of our Medium Cases, it's built to protect valuable equipment in tough conditions. The NANUK 980 is designed with deeper ribs that give it better stability for stacking, storage, transport and quick access. At the same time, it's just the right size and light enough for personal carry. Like all NANUK waterproof protective cases, the 980 is made of crushproof NK-7 resin certified to withstand extreme impact and continuous vibration – in other words, it's indestructible. It's also equipped with an oversized spring-loaded carry handle as well as four (4) of our legendary Power Claw latches and will never open accidentally. The 980 comes with our lifetime warranty, your assurance that we build cases to protect your most valuable gear for life. **SPECIFICATIONS:** Exterior Size (LxWxH): 9.9 in x 16.2 in x 7.3 in 760 mm x 412 mm x 186 mm Interior Size (LxWxH): 26.9 in x 13.3 in x 6.2 in 683 mm x 338 mm x 157 mm Volume: 36.34 L Weight (Empty): 10.8 lb | 4.9 kg Lid Depth: 1.5 in | 38 mm Base Depth: 4.6 in | 117 mm Temperature Range: Min -67°F (-55°C) | Max 158°F (70°C) Max Buoyancy: 95.7 lb | 43.4 kg Padlock Holes: 0.34 in | 7.62 mm Material: Lightweight NK-7 resin Warranty: Lifetime warranty & 30-day satisfaction warranty Airline Carry On: No

NANUK 980 Protective Hard Case Safety Instructions

Introduction

Thank you for choosing the NANUK 980 Protective Hard Case. This guide provides essential safety instructions to ensure safe use of the product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and provide clear guidelines for safe handling and usage.

General Safety Guidelines

- **Product Safety:** The NANUK 980 is designed for safe use and protects valuable equipment. Ensure that you read and understand these safety instructions before use.
- **Enhanced Recalls:** In the unlikely event of a product recall, updates will be communicated through standardized notices. Always check for recall updates.
- **Online Shopping:** If purchased online, you have the same safety protections as if bought in a physical store. Ensure the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Ensure it is stored out of reach of minors to avoid accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer or authorized distributor.
- **Rapid Alerts:** Stay informed about product safety through the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Avoid Excessive Weight:** Do not exceed the maximum buoyancy of 95.7 lb (43.4 kg) to maintain structural integrity.
- **Proper Handling:** Always use the oversized springloaded carry handle for transport. Avoid lifting the case by other parts.
- **Temperature Awareness:** The case can withstand temperatures ranging from 67°F (55°C) to 158°F (70°C). Avoid exposing the case to extremes outside this range.
- **Moisture Control:** Ensure that the case is dry before storage to prevent damage to contents and the case itself.
- **Inspection:** Regularly inspect the case for signs of wear or damage. If any damage is found, discontinue use immediately.

Instructions for Installation and Usage

- **Opening the Case:**
 - Press the Power Claw latches to open the case.
 - Ensure that the case is on a stable surface before opening.
- **Loading Equipment:**
 - Place your equipment inside the case, ensuring it is securely positioned.
 - Use foam inserts to cushion items and prevent movement during transport.
- **Closing the Case:**
 - Close the lid firmly and engage all four (4) Power Claw latches to secure the case.
 - Check that the latches are properly engaged to prevent accidental opening.

- **Transporting the Case:**

- Always use the carry handle when moving the case.
- Avoid dragging or dropping the case to prevent damage.

- **Storing the Case:**

- Store the case in a cool, dry place away from direct sunlight.
- Ensure the case is not stacked under heavy items that could cause deformation.

Disposal Instructions

- **Recycling:** The NANUK 980 case is made from NK7 resin, which is recyclable. Please check local recycling guidelines for proper disposal.
- **Environmental Considerations:** Do not dispose of the case in regular household waste. Follow local regulations for hazardous materials if the case is damaged.

Contact Information for Further Support

For questions or concerns regarding the NANUK 980 Protective Hard Case, please reach out to the manufacturer or authorized distributor. They will provide assistance and address any safety inquiries.

By following these safety instructions, you can ensure the effective and safe use of your NANUK 980 Protective Hard Case. Thank you for choosing NANUK for your gear protection needs.
