

NANUK 985 PROTECTIVE HARD CASE - NANUK 985 HARD PROTECTIVE CASE WITH FOAM, BLACK

NANUK 985 PROTECTIVE HARD CASE Built to survive the outdoors, water, dust and abuse of all kinds the NANUK 985 is a clear favorite of sportsmen, sportswomen, hunters, law enforcement and the military due to its relatively compact size and its compatibility with firearms. In fact, this is the perfect size long case for civilian car and police cruiser trunks and fits a single rifle, AR-15, takedown shotgun and many other guns. The NANUK 985 features two spring-loaded handles and rolls smoothly on its polyurethane wheels also making it the perfect protection solution for photo and video pros who trust the NANUK 985 as a lighting kit travel case or a tripod hard case. Built to organize, protect, carry and survive tough conditions, the 985 waterproof hard case is impenetrable and indestructible with a lightweight, tough NK-7 resin shell. Its four (4) PowerClaw latches, two of which feature an integrated TSA accepted key lock, keep your equipment securely locked during transit but accessible for inspection by the TSA when required. With NANUK's exclusive locking and latching system, your case stays shut and secured until you are ready to open it. This indestructible MIL-Spec case is equipped with a lid stay feature to keep the case safely open when in use and reinforced stainless-steel eyelets can be used to secure additional padlocks. The NANUK 985 protective case comes with a soft grip and ergonomic handle to make it easy and comfortable to transport. The handle features stainless steel hardware and is spring-loaded to keep it out of harm's way when traveling or during shipping. This transport case is also equipped with an automatic pressure release valve and an integrated bezel system. This MIL-Spec injection molded case is backed by a lifetime warranty. NANUK 985 Protective Hard Case Safety Instruction Guide

Introduction

Thank you for choosing the NANUK 985 Protective Hard Case. This guide provides essential safety instructions to ensure the safe use, handling, and maintenance of your case. Please read and follow these guidelines carefully to maximize safety and performance.

General Safety Guidelines

- **Product Safety:** The NANUK 985 case is designed to be safe for all users, including those purchasing online. Ensure you follow the safety instructions to mitigate any risks.
- **Enhanced Recalls:** In the event of a safety recall, you will receive standardized notices. Always check for recall updates to stay informed.
- **Online Shopping:** When purchasing online, verify that the seller complies with safety regulations similar to those of physical stores.
- **Special Consumer Focus:** This product is not recommended for use by children without adult supervision. Ensure that it is stored out of reach of children.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided on the packaging or product documentation.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding the NANUK 985 case.

Specific Safety Precautions for Use

- **Avoid Extreme Conditions:** Do not expose the case to extreme temperatures beyond the specified range of 20°F (29°C) to 140°F (60°C).
- **Secure Locking:** Always ensure that the PowerClaw latches are securely locked during transport to prevent accidental opening.
- **Weight Limits:** Do not exceed the maximum buoyancy limit of 100 lb (45.4 kg) when loading the case.
- **Pressure Release:** Utilize the automatic pressure release valve to prevent pressure buildup during changes in altitude.
- **Handle with Care:** Use the soft grip ergonomic handle to carry the case. Avoid dragging it on rough surfaces to prevent damage.
- **Check for Damage:** Regularly inspect the case for any signs of wear or damage. Do not use if the case is compromised.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the NANUK 985 case from its packaging. Inspect for any visible damage.
2. **Loading Equipment:**
 - Open the case using the springloaded handles.
 - Place your equipment inside, ensuring it is securely positioned.
 - Close the lid and engage the PowerClaw latches to secure the case.
3. **Transporting:**
 - Use the ergonomic handle to carry the case.
 - If rolling, ensure the case is upright and on a flat surface for smooth movement.
4. **Storing:**
 - Store the case in a cool, dry place away from direct sunlight.
 - Ensure the case is locked when not in use to prevent unauthorized access.
5. **Maintenance:**
 - Clean the exterior with a damp cloth. Do not use harsh chemicals or solvents.

- Ensure the latches and wheels are free of debris for optimal performance.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the NANUK 985 case responsibly. Check local regulations regarding the disposal of plastic and resin materials.
- **Recycling:** If the case is no longer usable, consider recycling it at designated facilities that accept resin materials.
- **Do Not Incinerate:** Do not burn the case as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding safety or product performance, please refer to the manufacturer's contact details provided on the product packaging or documentation.

Thank you for your attention to these safety instructions. Enjoy using your NANUK 985 Protective Hard Case!
