

MKI +5/4 MAGAZINE EXTENSION FOR GLOCK® 17/22/34/35/19X/45 - MK1 +5/+4 MAG EXTENSION FOR GLOCK 17/19X/22/34/35/45 GRAY

TYRANT CNC MKI +5/4 MAGAZINE EXTENSION FOR GLOCK®

17/22/34/35/19X/45 Introducing the Tyrant CNC MKII product line for Glock magazine Extensions! The upgraded extensions for the Glock 17/19x/22/34/45 now fit 6 additional rounds of 9mm. As always, each purchase includes a 10% power spring and the entire kit installs in seconds with no tools required.

Utilizing Tyrant CNC magazine extension technology, their Glock 17, 19x, 22, 34, 35, 45 magazine extension is the fastest and easiest installing mag extension ever! Drop your mags faster, and grab them easily with their machined inlay! Why do they install so quickly? Tyrant CNC use their retention plunger technology that allows the extended base pad to easily slide onto the bottom of your magazine! The entire install happens in 10 seconds or less and with no tools! Want to take it off? Easy, just push the plunger down and slide the magazine base plate off! Tyrant CNC magazine base pads are CNC machined from aerospace grade aluminum. This gives any operator the added weight needed for your base pad to drop free and fast. Tyrant CNC mag extensions instantly add 6 rounds to your 9mm and 5 rounds to your .40 cal for the Glock 17/19x/22/34/35/45. With an added knurl, the Glock 17, 19x, 22, 34, 35, 45 extended mag is easy to grasp in any condition, making reloads faster than their competitors. As always, Tyrant CNC products are manufactured in the USA and have a flawless finish. There is no easier and quicker way to add the much needed capacity to your Glocks 17, 19x, 22, 34, 35, 45 than with their Glock magazine extension. MKI +5/4 Magazine Extension for Glock®

17/22/34/35/19X/45 Safety Instructions

Introduction

Thank you for choosing the MKI +5/4 Magazine Extension for your Glock firearm. This guide provides essential safety instructions to ensure the safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR). Please read all instructions carefully before installation and usage.

General Safety Guidelines

- Ensure that the magazine extension is compatible with your specific Glock model before use.
- Always handle firearms and ammunition with care and follow all local laws and regulations.
- Keep the magazine extension out of reach of children and unauthorized users.
- Regularly inspect the magazine extension for any signs of damage or wear. Do not use if damaged.
- If you experience any issues during installation or usage, cease use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Only use the magazine extension with Glock models specified in the product description: G17, G19X, G22, G34, G35, and G45.
- Do not use the magazine extension with PMags or 10round magazines, as this may cause malfunction or injury.
- Ensure the magazine is unloaded before attempting to install or remove the extension.
- Avoid using excessive force during installation or removal to prevent damage to the magazine or extension.
- Be aware that the added weight of the magazine extension may affect the handling characteristics of your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the magazine is empty and the firearm is pointed in a safe direction.
- Locate the retention plunger on the base of the magazine.
- Press down on the retention plunger and slide the magazine extension onto the bottom of the magazine.
- Release the plunger to secure the extension in place. Ensure it is firmly attached.
- The entire installation process should take no more than 10 seconds.

2. Removing the Extension:

- To remove the magazine extension, press down on the retention plunger.
- Slide the magazine base plate off the magazine.
- Store the magazine extension in a safe place when not in use.

3. Usage:

- Load the magazine with the appropriate number of rounds (up to 6 additional rounds of 9mm or 5 additional rounds of .40 cal).
- Practice safe handling and storage of your firearm and magazine at all times.
- When reloading, ensure you are in a safe environment and follow standard firearm safety

practices.

Disposal Instructions

- Dispose of the magazine extension responsibly, following local regulations for waste disposal.
- If the magazine extension is damaged or no longer usable, do not attempt to repair it. Dispose of it in accordance with local hazardous waste guidelines.

Contact Information for Further Support

For any questions or concerns regarding the MKI +5/4 Magazine Extension, please refer to the manufacturer's website or contact customer support through the appropriate channels. Always ensure that you are using genuine products and accessories for your Glock firearm.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the MKI +5/4 Magazine Extension for your Glock. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for your attention to these guidelines.
