TYRANT CNC MKI +5/4 MAGAZINE EXTENSION FOR GLOCK®

17/22/34/35/19X/45 Introducing the Tyrant CNC MKII product line for Glock magazine Extensions! The upgraded extensions for the Glock 17/19x/22/34/45 now fit 6 additional rounds of 9mm. As always, each purchase includes a 10% power spring and the entire kit installs in seconds with no tools required.

Utilizing Tyrant CNC magazine extension technology, their Glock 17, 19x, 22, 34, 35, 45 magazine extension is the fastest and easiest installing mag extension ever! Drop your mags faster, and grab them easily with their machined inlay! Why do they install so quickly? Tyrant CNC use their retention plunger technology that allows the extended base pad to easily slide onto the bottom of your magazine! The entire install happens in 10 seconds or less and with no tools! Want to take it off? Easy, just push the plunger down and slide the magazine base plate off! Tyrant CNC magazine base pads are CNC machined from aerospace grade aluminum. This gives any operator the added weight needed for your base pad to drop free and fast. Tyrant CNC mag extensions instantly add 6 rounds to your 9mm and 5 rounds to your .40 cal for the Glock 17/19x/22/34/35/45. With an added knurl, the Glock 17, 19x, 22, 34, 35, 45 extended mag is easy to grasp in any condition, making reloads faster than their competitors. As always, Tyrant CNC products are

manufactured in the USA and have a flawless finish. There is no easier and quicker way to add the much needed capacity to your Glocks 17, 19x, 22, 34, 35, 45 than with their Glock magazine extension. SPECS Platform: Glock Designed For Models: G17, G19X, G22, G34, G45 Glock Generation:

Safety Instruction Guide for MKI +5/4 Magazine Extension for Glock® 17/22/34/35/19X/45

Introduction

Thank you for choosing the MKI +5/4 Magazine Extension for your Glock® 17/22/34/35/19X/45. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your safety and the safe operation of this product.

General Safety Guidelines

- **Product Safety:** Always ensure safe use of the magazine extension. It is designed to enhance your magazine capacity without compromising safety.
- **Enhanced Recalls:** Stay informed about any recall notices. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries or concerns, refer to your local EU contact point.
- **Rapid Alerts:** Monitor updates regarding unsafe products via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that this magazine extension is compatible with your specific Glock model (G17, G19X, G22, G34, G35, G45) before use.
- **Installation:** Follow installation instructions carefully to avoid improper fitting that could lead to malfunction.
- **Inspection:** Regularly inspect the magazine extension for signs of wear or damage. Do not use if damaged.
- **Handling:** Always handle your Glock and magazine extension with care. Treat every firearm as if it is loaded.
- **Storage:** Store your Glock and magazine in a secure location, away from unauthorized users.
- **Training:** Familiarize yourself with the operation of your Glock and the magazine extension through proper training and practice.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure your Glock is unloaded and the magazine is removed.
2. **Remove Base Plate:** Push the retention plunger down and slide the magazine base plate off.
3. **Attach Extension:** Align the MKI +5/4 Magazine Extension with the bottom of the magazine and slide it on until it clicks into place.
4. **Secure Installation:** Ensure the extension is firmly attached by pulling gently on it.
5. **Replace Spring:** Install the included power spring into the magazine, ensuring it is seated properly.
6. **Final Check:** Inspect the magazine to confirm that the extension is securely attached and that the spring is functioning correctly.

Usage Instructions

- **Loading:** Load the magazine extension as you would a standard magazine. The extension adds an additional 6 rounds of 9mm or 5 rounds of .40 cal.
- **Firing:** Use your Glock as normal, ensuring that the magazine is seated properly in the firearm.

- **Removing the Extension:** To remove the extension, push the retention plunger down and slide the magazine base plate off.

Disposal Instructions

- Dispose of any damaged or unusable magazine extensions in accordance with local regulations.
- If the product is recalled, follow the instructions provided by the manufacturer for safe disposal.

Contact Information for Further Support

For additional support or inquiries regarding the MKI +5/4 Magazine Extension, please refer to your local retailer or the manufacturer's website for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority.
