

MKI +5/4 MAGAZINE EXTENSION FOR GLOCK® 17/22/34/35/19X/45 - MK1 +5/+4 MAG EXTENSION FOR GLOCK 17/19X/22/34/35/45 BLACK

TYRANT CNC MKI +5/4 MAGAZINE EXTENSION FOR GLOCK®

17/22/34/35/19X/45 Introducing the Tyrant CNC MKII product line for Glock magazine Extensions! The upgraded extensions for the Glock 17/19x/22/34/45 now fit 6 additional rounds of 9mm. As always, each purchase includes a 10% power spring and the entire kit installs in seconds with no tools required.

Utilizing Tyrant CNC magazine extension technology, their Glock 17, 19x, 22, 34, 35, 45 magazine extension is the fastest and easiest installing mag extension ever! Drop your mags faster, and grab them easily with their machined inlay! Why do they install so quickly? Tyrant CNC use their retention plunger technology that allows the extended base pad to easily slide onto the bottom of your magazine! The entire install happens in 10 seconds or less and with no tools! Want to take it off? Easy, just push the plunger down and slide the magazine base plate off! Tyrant CNC magazine base pads are CNC machined from aerospace grade aluminum. This gives any operator the added weight needed for your base pad to drop free and fast. Tyrant CNC mag extensions instantly add 6 rounds to your 9mm and 5 rounds to your .40 cal for the Glock 17/19x/22/34/35/45. With an added knurl, the Glock 17, 19x, 22, 34, 35, 45 extended mag is easy to grasp in any condition, making reloads faster than their competitors. As always, Tyrant CNC products are manufactured in the USA and have a flawless finish. There is no easier and quicker way to add the much needed capacity to your Glocks 17, 19x, 22, 34, 35, 45 than with their Glock magazine extension. Safety Instruction Guide for MKI +5/4 Magazine Extension for Glock

Introduction

Thank you for choosing the Tyrant CNC MKI +5/4 Magazine Extension for your Glock. This guide provides essential safety information and instructions to ensure the proper and safe use of your product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the magazine extension is compatible with your specific Glock model (G17, G19X, G22, G34, G35, G45).
- Always use the magazine extension as intended and follow all manufacturer guidelines.
- Regularly inspect the magazine extension for any signs of damage or wear.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** This magazine extension is designed for Glock models G17, G19X, G22, G34, G35, and G45. Ensure you are using it with the correct model.
- **Installation:** Follow the installation instructions carefully to avoid any potential hazards during use.
- **Usage:** Do not exceed the recommended capacity of the magazine. Overloading may cause malfunction or injury.
- **Maintenance:** Regularly clean and maintain the magazine extension to ensure optimal performance and safety.
- **Avoid Modifications:** Do not alter or modify the magazine extension in any way, as this may compromise safety.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure you have the following items ready: the magazine extension, a compatible Glock magazine, and the included power spring.
2. **Remove the Existing Base Plate:** Push the retention plunger down and slide off the existing base plate from the magazine.
3. **Attach the Magazine Extension:**
 - Slide the new magazine extension onto the bottom of the magazine.
 - Ensure it is securely attached and that the retention plunger clicks into place.
4. **Install the Power Spring:** Insert the new power spring into the magazine if required.
5. **Final Check:** Ensure everything is securely installed and that the magazine operates smoothly.

Usage Instructions

- **Loading the Magazine:** Load the magazine according to the manufacturer's guidelines, ensuring you do not exceed the recommended capacity.
- **Firing:** Always handle your Glock and its magazine extension safely, following all standard firearm safety rules.
- **Removing the Extension:** To remove the extension, push the retention plunger down and slide the magazine base plate off.

Disposal Instructions

- Dispose of the magazine extension responsibly, following local regulations for the disposal of metal products.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MKI +5/4 Magazine Extension, please contact the manufacturer directly. Ensure you have the product details and any relevant information ready for assistance.

Thank you for following these safety instructions. Your safety and the safety of others depend on the proper use and care of your Tyrant CNC MKI +5/4 Magazine Extension.
