TYRANT CNC MKI +5/4 MAGAZINE EXTENSION FOR GLOCK®

17/22/34/35/19X/45 Introducing the Tyrant CNC MKII product line for Glock magazine Extensions! The upgraded extensions for the Glock 17/19x/22/34/45 now fit 6 additional rounds of 9mm. As always, each purchase includes a 10% power spring and the entire kit installs in seconds with no tools required.

Utilizing Tyrant CNC magazine extension technology, their Glock 17, 19x, 22, 34, 35, 45 magazine extension is the fastest and easiest installing mag extension ever! Drop your mags faster, and grab them easily with their machined inlay! Why do they install so quickly? Tyrant CNC use their retention plunger technology that allows the extended base pad to easily slide onto the bottom of your magazine! The entire install happens in 10 seconds or less and with no tools! Want to take it off? Easy, just push the plunger down and slide the magazine base plate off! Tyrant CNC magazine base pads are CNC machined from aerospace grade aluminum. This gives any operator the added weight needed for your base pad to drop free and fast. Tyrant CNC mag extensions instantly add 6 rounds to your 9mm and 5 rounds to your .40 cal for the Glock 17/19x/22/34/35/45. With an added knurl, the Glock 17, 19x, 22, 34, 35, 45 extended mag is easy to grasp in any condition, making reloads faster than their competitors. As always, Tyrant CNC products are

manufactured in the USA and have a flawless finish. There is no easier and quicker way to add the much needed capacity to your Glocks 17, 19x, 22, 34, 35, 45 than with their Glock magazine extension. SPECS Platform: Glock Designed For Models: G17, G19X, G22, G34, G45 Glock Generation:

Safety Instruction Guide for MKI +5/4 Magazine Extension for Glock® 17/22/34/35/19X/45

Introduction

Thank you for choosing the MKI +5/4 Magazine Extension for your Glock® firearm. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of the magazine extension. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the magazine extension is compatible with your specific Glock model (G17, G19X, G22, G34, G35, G45).
- Always keep the firearm pointed in a safe direction when handling.
- Regularly inspect the magazine extension for any signs of damage or wear before use.
- Store the magazine extension and all firearms in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended capacity of 6 additional rounds for 9mm and 5 additional rounds for .40 caliber.
- Ensure that the magazine is properly seated in the firearm before use.
- Avoid using the magazine extension with PMags or 10round magazines, as it may not function correctly.
- Always use the provided power spring to ensure proper operation of the magazine extension.
- If the magazine extension becomes loose during use, stop using it immediately and inspect it for proper installation.

Instructions for Installation and Usage

Installation

1. Ensure that your Glock magazine is unloaded and safe to handle.
2. Hold the magazine securely and locate the base plate.
3. Using your thumb, push down on the retention plunger located on the bottom of the magazine.
4. While holding the plunger down, slide the MKI +5/4 Magazine Extension onto the bottom of the magazine until it clicks into place.
5. Release the retention plunger to secure the extension.
6. Verify that the extension is properly installed by gently tugging on it.

Usage

- Load the magazine with the appropriate number of rounds, ensuring not to exceed the capacity.
- Insert the magazine into your Glock firearm, ensuring it is fully seated.
- To remove the magazine extension, push down on the retention plunger and slide the magazine base plate off.
- Always check that the magazine extension is securely attached before use.

Disposal Instructions

- Dispose of the magazine extension in accordance with local regulations regarding metal recycling or

waste disposal.

- Ensure that the product is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any questions or concerns regarding the MKI +5/4 Magazine Extension, please refer to the manufacturer's contact information provided with your purchase.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MKI +5/4 Magazine Extension. Always prioritize safety and responsible firearm handling. Thank you for your purchase!
