

HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION - HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN SA BLACK

MAGPUL® HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® The Hunter Lite – Ruger American Short Action is a purpose-built hunting stock that is designed for Ruger American and Ruger American Gen II rifles chambered in short-action calibers. The Hunter Lite streamlines the design of our original Hunter Stocks, reducing the weight and size to provide a fully featured upgrade for those wanting a hunting rifle that won't weigh them down during extended outdoor pursuits. The result is a stock that weighs approx. 2 lbs., 6 oz. or almost 25% less than the Hunter American Stock, with a forend that's almost 25% narrower than the original. Featuring enhanced ergonomics, the Hunter Lite Stock – Ruger American Short Action is compatible with both right and left-hand rifles by simply swapping out an inlet insert on the stock. Other key features of the Hunter Lite include an aluminum V-bedding block featuring reinforced steel pillars to prevent compression and deformation while shooting. The buttstock and forend also have integral sling swivel studs for use with a variety of slings and bipods, and removable half-inch spacers for LOP adjustment and snap-on cheek risers for adjustable comb height. The enlarged trigger guard allows comfortable use with gloves and easy access to the ambidextrous magazine release. The forend of the Hunter Lite is compatible with barrel profiles up to Medium Palma and it includes multiple M-LOK slots accommodate your choice of M-LOK accessories. Made in the USA. **FEATURES** EXTRUDED ALUMINUM V-BEDDING BLOCK Reinforced steel action screw pillars provide extra rigidity, prevent stock compression and deformation while shooting Right and left-hand configurable by the end user by swapping out inlet insert Accommodates barrel profiles up to Medium Palma AICS-COMPATIBLE MAGAZINE WELL Ambidextrous magazine release paddle Enlarged trigger guard for use with gloves Magazines sold separately **ADJUSTABLE AND VERSATILE** Four (4) removable 1/2" buttstock spacers for adjustable LOP, 13"-15" Snap-on 3/8" cheek riser for adjustable comb height Sling swivel studs on buttstock and forend M-LOK slots on forend **SPECS** Platform: Ruger American® Butt-Pad Dimensions: 1.5 x 4.9 in. HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION

Consumer Safety Instruction Guide

Introduction

Thank you for choosing the HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION. This guide provides essential information on the safe use, installation, and maintenance of your product. Please read this guide carefully to ensure your safety and the proper functioning of the stock.

General Safety Guidelines

To ensure safe use of the HUNTER LITE ADJUSTABLE STOCK, please follow these guidelines:

- Always handle your firearm in a safe manner, treating it as if it is loaded at all times.
- Ensure that the stock is compatible with your Ruger American rifle model before installation.
- Inspect the stock for any signs of damage or wear before use.
- Use the stock only with firearms that are in good working condition.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

When using the HUNTER LITE ADJUSTABLE STOCK, observe the following precautions:

- Ensure that the stock is securely attached to the rifle before use.
- Do not exceed the recommended weight limit for accessories mounted on the stock.
- Avoid using the stock for any purpose other than its intended use with the Ruger American rifle.
- Be cautious when adjusting the length of pull (LOP) or cheek riser, ensuring that adjustments are made while the firearm is pointed in a safe direction.
- Regularly check the stock for any loose screws or fittings and tighten them as necessary.

Instructions for Installation and Usage

Follow these steps to install and use the HUNTER LITE ADJUSTABLE STOCK:

1. Installation:

- Ensure your Ruger American rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the rifle by unscrewing the action screws.
- Align the HUNTER LITE stock with the rifle's action and secure it using the provided screws.
- Check that the stock is firmly attached and does not move.

2. Adjusting Length of Pull (LOP):

- Use the included removable spacers to adjust the LOP from 13 to 15 inches.
- To add or remove spacers, unscrew the butt pad and replace the spacers as needed.
- Reattach the butt pad securely.

3. Adjusting Cheek Riser:

- Attach the snapon cheek riser to the designated area on the stock for height adjustment.
- Ensure the riser is securely fastened before use.

4. Using Sling Swivels:

- Attach slings or bipods to the integral sling swivel studs located on the buttstock and forend.
- Ensure that attachments are secure and do not interfere with the operation of the rifle.

5. Maintenance:

- Clean the stock regularly to remove dirt and debris.
- Inspect all components for wear and tear, and replace any damaged parts immediately.

Disposal Instructions

When disposing of the HUNTER LITE ADJUSTABLE STOCK, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- Do not burn the stock, as it may release harmful substances.
- Consider recycling any components if applicable.

Contact Information for Further Support

For any questions or concerns regarding the HUNTER LITE ADJUSTABLE STOCK, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION. Thank you for your attention to safety.
