

# HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION - MAGPUL HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN SA BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

MAGPUL® HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® The Hunter Lite – Ruger American Short Action is a purpose-built hunting stock that is designed for Ruger American and Ruger American Gen II rifles chambered in short-action calibers. The Hunter Lite streamlines the design of our original Hunter Stocks, reducing the weight and size to provide a fully featured upgrade for those wanting a hunting rifle that won't weigh them down during extended outdoor pursuits. The result is a stock that weighs approx. 2 lbs., 6 oz. or almost 25% less than the Hunter American Stock, with a forend that's almost 25% narrower than the original. Featuring enhanced ergonomics, the Hunter Lite Stock – Ruger American Short Action is compatible with both right and left-hand rifles by simply swapping out an inlet insert on the stock. Other key features of the Hunter Lite include an aluminum V-bedding block featuring reinforced steel pillars to prevent compression and deformation while shooting. The buttstock and forend also have integral sling swivel studs for use with a variety of slings and bipods, and removable half-inch spacers for LOP adjustment and snap-on cheek risers for adjustable comb height. The enlarged trigger guard allows comfortable use with gloves and easy access to the ambidextrous magazine release. The forend of the Hunter Lite is compatible with barrel profiles up to Medium Palma and it includes multiple M-LOK slots accommodate your choice of M-LOK accessories. Made in the USA. **FEATURES** EXTRUDED ALUMINUM V-BEDDING BLOCK Reinforced steel action screw pillars provide extra rigidity, prevent stock compression and deformation while shooting Right and left-hand configurable by the end user by swapping out inlet insert Accommodates barrel profiles up to Medium Palma AICS-COMPATIBLE MAGAZINE WELL Ambidextrous magazine release paddle Enlarged trigger guard for use with gloves Magazines sold separately ADJUSTABLE AND VERSATILE Four (4) removable 1/2" buttstock spacers for adjustable LOP, 13"-15" Snap-on 3/8" cheek riser for adjustable comb height Sling swivel studs on buttstock and forend M-LOK slots on forend **SPECS** Platform: Ruger American® Butt-Pad Dimensions: 1.5 x 4.9 in. # HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION. This product is designed to enhance your hunting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully to understand the proper use, installation, and maintenance of your adjustable stock.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified by the manufacturer.
- Always handle firearms with care and follow all safety protocols related to firearm usage.
- Keep out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek professional assistance.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Always confirm that your firearm is unloaded before attaching or detaching the stock.
- Ensure that the stock is properly secured to the rifle to prevent accidental detachment during use.
- Use the adjustable features (Length of Pull and cheek riser) only as per the instructions to maintain safety and comfort.
- When using the stock with gloves, ensure that the enlarged trigger guard allows for comfortable access to the trigger without obstruction.
- Be cautious while using slings and bipods; ensure they are securely attached to prevent accidents.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Instructions for Installation and Usage

### 1. Installation of the Stock:

- Ensure the firearm is unloaded.
- Remove the existing stock from the Ruger American rifle by unscrewing the action screws.
- Align the action of the rifle with the stock and insert the action screws into the Vbedding block.
- Tighten the screws securely but do not overtighten, as this may cause damage.

### 2. Adjusting Length of Pull (LOP):

- Remove the buttstock spacers by unscrewing them.
- Add or remove spacers to achieve the desired LOP between 13 inches to 15 inches.
- Reattach the buttstock securely.

### 3. Adjusting Cheek Height:

- Attach the snapon cheek riser to the stock.
- Adjust the riser to your comfort level to ensure proper alignment with the scope.

### 4. Using MLOK Slots:

- Attach MLOK accessories as needed for your shooting requirements.
- Ensure all accessories are securely fastened to prevent detachment during use.

#### **5. Maintenance:**

- Regularly clean the stock and inspect for any signs of wear.
- Store the firearm in a safe and dry place when not in use.

## **Disposal Instructions**

- Follow local regulations for the disposal of firearm accessories.
- Do not dispose of the stock in regular household waste.
- If the product is damaged beyond repair, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or warranty information, please refer to the customer service section of the manufacturer's website or consult your local dealer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION. Always prioritize safety and adhere to all relevant guidelines. Thank you for your attention and responsible usage.
