

HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION - HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN SA FDE

MAGPUL® HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® The Hunter Lite – Ruger American Short Action is a purpose-built hunting stock that is designed for Ruger American and Ruger American Gen II rifles chambered in short-action calibers. The Hunter Lite streamlines the design of our original Hunter Stocks, reducing the weight and size to provide a fully featured upgrade for those wanting a hunting rifle that won't weigh them down during extended outdoor pursuits. The result is a stock that weighs approx. 2 lbs., 6 oz. or almost 25% less than the Hunter American Stock, with a forend that's almost 25% narrower than the original. Featuring enhanced ergonomics, the Hunter Lite Stock – Ruger American Short Action is compatible with both right and left-hand rifles by simply swapping out an inlet insert on the stock. Other key features of the Hunter Lite include an aluminum V-bedding block featuring reinforced steel pillars to prevent compression and deformation while shooting. The buttstock and forend also have integral sling swivel studs for use with a variety of slings and bipods, and removable half-inch spacers for LOP adjustment and snap-on cheek risers for adjustable comb height. The enlarged trigger guard allows comfortable use with gloves and easy access to the ambidextrous magazine release. The forend of the Hunter Lite is compatible with barrel profiles up to Medium Palma and it includes multiple M-LOK slots accommodate your choice of M-LOK accessories. Made in the USA. **FEATURES** EXTRUDED ALUMINUM V-BEDDING BLOCK Reinforced steel action screw pillars provide extra rigidity, prevent stock compression and deformation while shooting Right and left-hand configurable by the end user by swapping out inlet insert Accommodates barrel profiles up to Medium Palma AICS-COMPATIBLE MAGAZINE WELL Ambidextrous magazine release paddle Enlarged trigger guard for use with gloves Magazines sold separately **ADJUSTABLE AND VERSATILE** Four (4) removable 1/2" buttstock spacers for adjustable LOP, 13"-15" Snap-on 3/8" cheek riser for adjustable comb height Sling swivel studs on buttstock and forend M-LOK slots on forend **SPECS** Platform: Ruger American® Butt-Pad Dimensions: 1.5 x 4.9 in. Safety Instruction Guide for HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION

Introduction

Thank you for choosing the Hunter Lite Adjustable Stock for Ruger American® Short Action. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always handle firearms and firearm accessories with care and respect.
- Keep the stock and all related components out of reach of children and unauthorized users.
- Regularly inspect the stock for signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Ensure that the firearm is unloaded before attaching or detaching the stock.
- Verify that the stock is securely attached to the firearm before each use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use only compatible firearms as specified in this guide to avoid accidents or malfunctions.
- Do not modify or alter the stock in any way that could impact its performance or safety.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the firearm is unloaded and safe to handle.
2. **Remove Existing Stock:** Follow the manufacturer's instructions to detach the existing stock from the Ruger American rifle.
3. **Attach the Hunter Lite Stock:**
 - Align the stock with the action of the rifle.
 - Secure the stock using the provided screws and ensure they are tightened to the manufacturer's specifications.
4. **Adjust Length of Pull (LOP):**
 - Use the included spacers to adjust the LOP to your preference (13"15").
 - Ensure that the spacers are securely in place.
5. **Install Cheek Riser:**
 - Attach the snap-on cheek riser for adjustable comb height as needed.
6. **Final Check:** Inspect the installation to ensure everything is secure and properly aligned.

Usage

- Always check that the stock is properly installed before each use.
- When using the stock, ensure that the sling swivel studs are properly utilized for any slings or bipods.
- Maintain a firm grip on the rifle while aiming and shooting.
- If using gloves, ensure that the enlarged trigger guard allows for comfortable operation.

Disposal Instructions

- Dispose of the stock and any packaging materials in accordance with local regulations.
- Do not dispose of the stock in regular household waste if it contains any hazardous materials.
- Consider recycling options for materials wherever possible.

Contact Information for Further Support

For any questions or concerns regarding the Hunter Lite Adjustable Stock, please consult the manufacturer's website or customer service for assistance. Always ensure that you have the latest information regarding product recalls or safety updates.

Thank you for your attention to these safety guidelines. Enjoy your hunting experience with the Hunter Lite Adjustable Stock for Ruger American® Short Action. Stay safe!
