

HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION - MAGPUL HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN SA FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

MAGPUL® HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® The Hunter Lite – Ruger American Short Action is a purpose-built hunting stock that is designed for Ruger American and Ruger American Gen II rifles chambered in short-action calibers. The Hunter Lite streamlines the design of our original Hunter Stocks, reducing the weight and size to provide a fully featured upgrade for those wanting a hunting rifle that won't weigh them down during extended outdoor pursuits. The result is a stock that weighs approx. 2 lbs., 6 oz. or almost 25% less than the Hunter American Stock, with a forend that's almost 25% narrower than the original. Featuring enhanced ergonomics, the Hunter Lite Stock – Ruger American Short Action is compatible with both right and left-hand rifles by simply swapping out an inlet insert on the stock. Other key features of the Hunter Lite include an aluminum V-bedding block featuring reinforced steel pillars to prevent compression and deformation while shooting. The buttstock and forend also have integral sling swivel studs for use with a variety of slings and bipods, and removable half-inch spacers for LOP adjustment and snap-on cheek risers for adjustable comb height. The enlarged trigger guard allows comfortable use with gloves and easy access to the ambidextrous magazine release. The forend of the Hunter Lite is compatible with barrel profiles up to Medium Palma and it includes multiple M-LOK slots accommodate your choice of M-LOK accessories. Made in the USA. **FEATURES** EXTRUDED ALUMINUM V-BEDDING BLOCK Reinforced steel action screw pillars provide extra rigidity, prevent stock compression and deformation while shooting Right and left-hand configurable by the end user by swapping out inlet insert Accommodates barrel profiles up to Medium Palma AICS-COMPATIBLE MAGAZINE WELL Ambidextrous magazine release paddle Enlarged trigger guard for use with gloves Magazines sold separately ADJUSTABLE AND VERSATILE Four (4) removable 1/2" buttstock spacers for adjustable LOP, 13"-15" Snap-on 3/8" cheek riser for adjustable comb height Sling swivel studs on buttstock and forend M-LOK slots on forend **SPECS** Platform: Ruger American® Butt-Pad Dimensions: 1.5 x 4.9 in. HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION Safety Instruction Guide

Introduction

Thank you for choosing the MAGPUL® Hunter Lite Adjustable Stock for Ruger American® Short Action. This product is designed to enhance your hunting experience while ensuring your safety and the safety of others. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure that the stock is compatible with your Ruger American® rifle model before installation.
- Always handle firearms with care and ensure they are pointed in a safe direction.
- Keep the stock and rifle out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm use and safety.

Specific Safety Precautions for Use

- **Weight Consideration:** The Hunter Lite stock is designed to be lightweight, approximately 2 lbs., 6 oz. Ensure that you are comfortable handling the weight during extended use.
- **Ergonomics:** The stock is designed for both right and lefthanded use. Ensure that you have configured the stock correctly for your use.
- **Trigger Guard:** The enlarged trigger guard allows for comfortable use with gloves. Ensure that gloves do not interfere with the operation of the trigger.
- **Magazines:** Always use compatible magazines. Ensure that magazines are sold separately and are properly seated in the magazine well before use.
- **LOP Adjustment:** Use the removable spacers for length of pull (LOP) adjustment. Ensure that spacers are securely attached before use.
- **Cheek Riser:** The snapon cheek riser is adjustable. Ensure it is properly secured before using the rifle.
- **Sling Swivel Studs:** Use the integral sling swivel studs for slings and bipods. Ensure that attachments are secure to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Remove the existing stock from your Ruger American® rifle following the manufacturer's instructions.
- Align the Hunter Lite stock with the action of the rifle and ensure that it fits snugly.
- Secure the stock using the provided screws and ensure they are tightened to the manufacturer's specifications.
- If necessary, swap out the inlet insert for left or righthand configuration.

2. Usage:

- Before handling the rifle, ensure it is unloaded and the safety is engaged.
- Adjust the length of pull by adding or removing the spacers as needed.
- Adjust the cheek riser to your preferred height for optimal sight alignment.
- When ready to shoot, ensure you are in a safe environment and follow all firearm safety protocols.

Disposal Instructions

- Dispose of the stock and any associated materials in accordance with local regulations.
- If the stock is damaged or no longer usable, consider recycling materials where applicable.
- Do not dispose of the stock in regular household waste if it contains components that can be recycled.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to the appropriate regulatory bodies or local authorities. Always ensure you are following the latest safety guidelines and regulations.

Thank you for prioritizing safety while enjoying your hunting experience with the MAGPUL® Hunter Lite Adjustable Stock for Ruger American® Short Action. Always remember to handle your equipment responsibly and in compliance with all safety regulations.
