

HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION - HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN SA ODG

MAGPUL® HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® The Hunter Lite – Ruger American Short Action is a purpose-built hunting stock that is designed for Ruger American and Ruger American Gen II rifles chambered in short-action calibers. The Hunter Lite streamlines the design of our original Hunter Stocks, reducing the weight and size to provide a fully featured upgrade for those wanting a hunting rifle that won't weigh them down during extended outdoor pursuits. The result is a stock that weighs approx. 2 lbs., 6 oz. or almost 25% less than the Hunter American Stock, with a forend that's almost 25% narrower than the original. Featuring enhanced ergonomics, the Hunter Lite Stock – Ruger American Short Action is compatible with both right and left-hand rifles by simply swapping out an inlet insert on the stock. Other key features of the Hunter Lite include an aluminum V-bedding block featuring reinforced steel pillars to prevent compression and deformation while shooting. The buttstock and forend also have integral sling swivel studs for use with a variety of slings and bipods, and removable half-inch spacers for LOP adjustment and snap-on cheek risers for adjustable comb height. The enlarged trigger guard allows comfortable use with gloves and easy access to the ambidextrous magazine release. The forend of the Hunter Lite is compatible with barrel profiles up to Medium Palma and it includes multiple M-LOK slots accommodate your choice of M-LOK accessories. Made in the USA. **FEATURES** EXTRUDED ALUMINUM V-BEDDING BLOCK Reinforced steel action screw pillars provide extra rigidity, prevent stock compression and deformation while shooting Right and left-hand configurable by the end user by swapping out inlet insert Accommodates barrel profiles up to Medium Palma AICS-COMPATIBLE MAGAZINE WELL Ambidextrous magazine release paddle Enlarged trigger guard for use with gloves Magazines sold separately **ADJUSTABLE AND VERSATILE** Four (4) removable 1/2" buttstock spacers for adjustable LOP, 13"-15" Snap-on 3/8" cheek riser for adjustable comb height Sling swivel studs on buttstock and forend M-LOK slots on forend **SPECS** Platform: Ruger American® Butt-Pad Dimensions: 1.5 x 4.9 in. Safety Instruction Guide for HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN

Introduction

Thank you for purchasing the HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN. This guide provides essential safety information and instructions to ensure the safe use, installation, and maintenance of your product. Please read this guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all applicable laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded before installing or adjusting the stock.
- Avoid using the product in wet or damp conditions to prevent damage.
- Do not exceed the manufacturer's specified weight limit for accessories attached to the stock.
- Use only compatible magazines and accessories as specified by the manufacturer.
- If you notice any unusual sounds or performance issues while using the product, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

Installation

1. **Unpack the Product:** Carefully remove the stock from the packaging and inspect for any damage.
2. **Prepare the Firearm:** Ensure that the Ruger American is unloaded and in a safe condition.
3. **Remove the Existing Stock:** Follow the manufacturer's guidelines to detach the existing stock from the firearm.
4. **Attach the Hunter Lite Stock:**
 - Align the stock with the action of the firearm.
 - Securely fasten the stock using the provided screws and ensure that it is tightly fitted.
5. **Adjust Length of Pull (LOP):**
 - Remove or add the included 1/2" spacers to achieve the desired LOP between 13" and 15".
6. **Install Cheek Riser:** Attach the snap-on 3/8" cheek riser for adjustable comb height as needed.

Usage

- Always ensure that the firearm is pointed in a safe direction when handling.
- Utilize the ambidextrous magazine release and enlarged trigger guard for comfortable operation, especially when wearing gloves.
- Regularly check the integrity of the Vbedding block and steel pillars to ensure safe shooting conditions.
- Use the MLOK slots to attach compatible accessories securely.

Disposal Instructions

- Dispose of the product in accordance with local regulations and environmental guidelines.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling materials where possible.
