

HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION - MAGPUL HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN SA ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

MAGPUL® HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® The Hunter Lite – Ruger American Short Action is a purpose-built hunting stock that is designed for Ruger American and Ruger American Gen II rifles chambered in short-action calibers. The Hunter Lite streamlines the design of our original Hunter Stocks, reducing the weight and size to provide a fully featured upgrade for those wanting a hunting rifle that won't weigh them down during extended outdoor pursuits. The result is a stock that weighs approx. 2 lbs., 6 oz. or almost 25% less than the Hunter American Stock, with a forend that's almost 25% narrower than the original. Featuring enhanced ergonomics, the Hunter Lite Stock – Ruger American Short Action is compatible with both right and left-hand rifles by simply swapping out an inlet insert on the stock. Other key features of the Hunter Lite include an aluminum V-bedding block featuring reinforced steel pillars to prevent compression and deformation while shooting. The buttstock and forend also have integral sling swivel studs for use with a variety of slings and bipods, and removable half-inch spacers for LOP adjustment and snap-on cheek risers for adjustable comb height. The enlarged trigger guard allows comfortable use with gloves and easy access to the ambidextrous magazine release. The forend of the Hunter Lite is compatible with barrel profiles up to Medium Palma and it includes multiple M-LOK slots accommodate your choice of M-LOK accessories. Made in the USA. **FEATURES** EXTRUDED ALUMINUM V-BEDDING BLOCK Reinforced steel action screw pillars provide extra rigidity, prevent stock compression and deformation while shooting Right and left-hand configurable by the end user by swapping out inlet insert Accommodates barrel profiles up to Medium Palma AICS-COMPATIBLE MAGAZINE WELL Ambidextrous magazine release paddle Enlarged trigger guard for use with gloves Magazines sold separately ADJUSTABLE AND VERSATILE Four (4) removable 1/2" buttstock spacers for adjustable LOP, 13"-15" Snap-on 3/8" cheek riser for adjustable comb height Sling swivel studs on buttstock and forend M-LOK slots on forend **SPECS** Platform: Ruger American® Butt-Pad Dimensions: 1.5 x 4.9 in. Safety Instruction Guide for the HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION

Introduction

Thank you for choosing the HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to understand how to use and maintain your stock safely.

General Safety Guidelines

To ensure safe use of the HUNTER LITE ADJUSTABLE STOCK, please follow these guidelines:

- Always handle the stock and firearm with care.
- Ensure that the firearm is unloaded before making any adjustments to the stock.
- Use the stock only with compatible Ruger American rifles as specified in the product description.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Regularly inspect the stock for signs of wear or damage before each use.
- Do not attempt to modify the stock in any way that is not recommended by the manufacturer.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

When using the HUNTER LITE ADJUSTABLE STOCK, please observe the following safety precautions:

- Ensure that the stock is properly installed on the rifle before use.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.
- Do not use the stock with ammunition that is not compatible with your firearm.
- Make sure that the adjustable components, such as the length of pull and cheek riser, are securely locked in place before shooting.
- Avoid using the stock if it shows any signs of damage or if components are missing.

Instructions for Installation and Usage

Follow these steps for proper installation and usage of the HUNTER LITE ADJUSTABLE STOCK:

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Ruger American rifle by unscrewing the action screws.
- Align the HUNTER LITE ADJUSTABLE STOCK with the action of the rifle.
- Securely attach the stock to the rifle using the action screws provided.
- Ensure that the aluminum Vbedding block is properly seated and that the stock is stable.
- Adjust the length of pull using the removable spacers as needed.
- Attach the cheek riser to achieve the desired comb height.

2. Usage:

- Before shooting, check that all adjustments are secure.

- Use the ambidextrous magazine release and enlarged trigger guard comfortably.
- Utilize the MLOK slots for attaching accessories as needed.
- After use, clean the stock with a soft cloth to maintain its condition.

Disposal Instructions

When it comes time to dispose of the HUNTER LITE ADJUSTABLE STOCK, please follow these guidelines:

- Do not dispose of the stock in regular household waste.
- Check local regulations for proper disposal of firearm accessories.
- If the stock is damaged beyond repair, contact a local recycling facility for guidance on disposal.

Contact Information for Further Support

For questions, concerns, or further support regarding the HUNTER LITE ADJUSTABLE STOCK, please refer to the manufacturer's website or customer service resources.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your HUNTER LITE ADJUSTABLE STOCK FOR RUGER AMERICAN® SHORT ACTION. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your attention to these important guidelines.
