LOW COMBAT RAIL HD MLOK HANDGUARDS FOR AR308 Safety Instruction Guide

Introduction

Thank you for choosing the LOW COMBAT RAIL HD MLOK HANDGUARDS for your AR308. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your handguard. Please read this document carefully before use to maximize performance and safety.

General Safety Guidelines

- Ensure that the handguard is compatible with your firearm model before installation.
- Always handle firearms with care and follow standard safety practices.
- Inspect the handguard before each use for any signs of damage or wear.
- Keep the handguard and firearm out of reach of children and unauthorized users.
- Use the handguard only for its intended purpose as specified by the manufacturer.
- In case of any malfunction or safety concern, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Use appropriate tools and wear safety glasses during installation.
 - Ensure the firearm is unloaded before starting the installation process.
- **Handling and Operation:**
 - Always treat your firearm as if it is loaded.
 - Avoid pointing the firearm at anything you do not intend to shoot.
 - Be aware of your surroundings and ensure a safe shooting environment.
- **Maintenance:**
 - Regularly clean and maintain the handguard according to the manufacturer's guidelines.
 - Check for loose screws or components before each use.
- **Storage:**
 - Store the firearm in a secure location, preferably in a locked safe.
 - Ensure the handguard is not exposed to extreme temperatures or moisture.

Instructions for Installation and Usage

1. Preparing for Installation:

- Gather necessary tools: a torque wrench, Allen wrenches, and safety glasses.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Remove the existing handguard by unscrewing the barrel nut and any retaining screws.
- Align the new LOW COMBAT RAIL HD MLOK HANDGUARD with the barrel nut.

- Secure the handguard using the MI patented torque plate to ensure no forward movement.
- Tighten the screws to the manufacturer's recommended torque specifications.
- Install the 5slot polymer MLOK rail as needed.

3. PostInstallation Check:

- Inspect the installation to ensure that all components are securely fastened.
- Perform a function check of the firearm to ensure everything operates correctly.

4. Usage:

- Use the handguard to mount accessories as needed, ensuring they are compatible with MLOK specifications.
- Follow all firearm safety rules while using your firearm equipped with the handguard.

Disposal Instructions

When the LOW COMBAT RAIL HD MLOK HANDGUARDS reach the end of their life cycle or if you decide to dispose of them, please follow these guidelines:

- Do not dispose of the handguard in regular household waste.
- Check local regulations for recycling and disposal of aluminum and polymer materials.
- If the handguard is damaged or unsafe, contact a local waste management facility for proper disposal options.

Contact Information for Further Support

For any inquiries or concerns regarding the LOW COMBAT RAIL HD MLOK HANDGUARDS, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to support for any safety or technical questions you may have.

By following these guidelines, you can ensure safe and effective use of the LOW COMBAT RAIL HD MLOK HANDGUARDS for your AR308. Remember, safety is paramount when handling firearms and accessories. Thank you for your attention to these important instructions.
