DIE FREE CO. DOS BOOT MAGAZINE EXTENSIONS FOR PMAG® GEN M3 AR-15 MAGAZINE Introducing the Dos Boot™ by DFCO™ — an enhanced base plate upgrade for your Magpul PMAG GEN M3 AR15/M4 magazines. The Dos Boot adds +2 rounds of capacity, converts your PMAG into a convenient monopod, and improves grip for quicker, smoother reloads. It's the unintrusive and practical magazine upgrade you deserve. Die Free Co. designed the Dos Boot with 20-round mags in mind, aiming to get as low to the ground as possible without letting your rifle grip touch dirt. The result? A sleek extension that gives you a 10% capacity bump, better stability in prone, and easier mag handling thanks to its contoured shape and aggressive tread. Though originally designed for 20-rounders, the Dos Boot is right at home on 10, 30, and even 40-round magazines. It's versatile, practical, and just the right amount of extra. **FEATURES** +2 Magazine Capacity Tool-less, drop-in replacement Impact resistant injection-molded polymer Aggressive tread for solid contact Convex shape for smooth positional adjustments Improved grip surface for confident handling Compatible with Magpul PMAG 10/20/30/40 GEN M3 Magazines Made in the USA Available in Black and Coyote Brown Note: Magpul® & PMAG® are registered trademarks of Magpul Industries Corp.

Safety Instruction Guide for Dos Boot Magazine Extensions for PMAG® GEN M3 AR15 Magazine

Introduction

Thank you for choosing the Dos Boot™ Magazine Extensions for your PMAG® GEN M3 AR15 magazine. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the extension.

General Safety Guidelines

- Always ensure that your firearm is unloaded before handling magazines or magazine extensions.
- Inspect the magazine extension for any damage before use. Do not use if damaged.
- Keep the magazine extension out of reach of children and unauthorized users.
- Use only with compatible Magpul PMAG 10/20/30/40 GEN M3 magazines.
- Follow all local laws and regulations regarding magazine capacity and firearm use.

Specific Safety Precautions for Use

- Ensure that the magazine is securely attached to the firearm before use.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Do not exceed the magazine capacity as indicated. Overloading may cause malfunction.
- Avoid using the magazine extension in adverse conditions (e.g., extreme temperatures, wet environments) that may affect performance.
- Regularly clean and maintain the magazine and extension to ensure proper functioning.

Instructions for Installation and Usage

1. Installation

- Ensure the magazine is empty and remove it from the firearm.
- Locate the base plate of the PMAG GEN M3 magazine.
- Press the release lever on the base plate to detach it from the magazine.
- Align the Dos Boot extension with the magazine base and press firmly until it clicks into place.
- Verify that the extension is securely attached and does not wobble.

2. Usage

- Load the magazine according to the manufacturer's guidelines. The Dos Boot allows for a +2 round capacity increase.
- When ready to use, insert the magazine into the firearm until it locks in place.
- Use the magazine extension as a monopod for improved stability when shooting.
- During use, maintain a proper grip to ensure control and prevent accidental discharge.

Disposal Instructions

- Dispose of the magazine extension in accordance with local regulations.
- Do not dispose of in general waste if it is damaged or no longer usable.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the Dos Boot Magazine Extensions, please refer to the manufacturer's website or customer service resources. Ensure you have your product information ready when seeking assistance.

By following these guidelines, you can enjoy the benefits of your Dos Boot Magazine Extension while ensuring safety and compliance with EU regulations. Thank you for your attention to safety.
