

DAKA UNIVERSAL GRID ORGANIZER REPLACEMENT PANEL - MAGPUL DAKA UNIVERSAL GRID ORGANIZER REPLACEMENT PANEL

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

MAGPUL DAKA UNIVERSAL GRID ORGANIZER REPLACEMENT PANEL With the DAKA GRID Organizer, Magpul provided a completely new and better way to organize and protect your firearms and important gear. The Block and Panel design also provides unlimited versatility, letting you set up a unique layout for every loadout. Their precision-fit DAKA GRID Organizers were custom-made for many of today's most popular hard cases, but those who have one of the millions of other cases currently available weren't able to bring the innovation of the GRID to their setup. Until now. The DAKA Universal GRID Organizer is a fully customizable, cut-to-fit organizational solution that secures and protects important equipment, no matter what case it's going into. Installation is easy, and the pre-marked guidelines on the underside of the GRID Panels allow them to be cut to fit almost any container, not just firearms cases. The Replacement Panels also have a serrated bottom for channeling and securing the included DAKA Gear Straps to optimize the Straps' hold on your gear. The DAKA Universal GRID Panels are constructed of the same Expanded Polypropylene (EPP) material as their precision-cut DAKA GRIDS, nesting together securely to maximize protection, versatility, and ease-of-use. Each Replacement Panel offers almost 120 square inches of GRID space. The GRID's EPP material doesn't absorb contaminants the way open cell foam does, providing resistance to liquid and chemical intrusion inside your case. With wider or taller equipment such as lights, bipods, or lasers, a center GRID Panel can be cut to fit or removed entirely to open space provided the firearm is braced on both ends. SPECIFICATIONS: Collection: DAKA GRID / Hard Cases, Universal GRID, GRID Replacement Panels Compatibility: Can be fit to most cases on the market. Once cut, the DAKA GRID Panels and Blocks cannot be repaired. Therefore, measure twice, cut once. Overall dimensions: 13.25 x 9.75 x 1 in. per panel Weight: 1.7 oz. per panel

DAKA Universal Grid Organizer Replacement Panel Safety Instructions

Introduction

Thank you for choosing the DAKA Universal Grid Organizer Replacement Panel by Magpul. This product is designed to enhance the organization and protection of your firearms and gear. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the DAKA Universal Grid Organizer Replacement Panel is used in accordance with the manufacturer's instructions.
- Regularly inspect the product for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The DAKA GRID Panels are designed for organization and protection; misuse can lead to equipment damage or personal injury.
- Ensure that all items secured within the GRID are appropriate for the intended use and do not exceed the weight limits of the organizer.

- **Avoiding Hazards:**

- Do not cut the panels without proper measuring; once cut, they cannot be repaired.
- Ensure that the panels are securely installed before use to prevent items from falling or shifting during transport.
- Avoid exposing the GRID Panels to extreme temperatures or harsh chemicals that may degrade the material.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Ensure that it is stored safely out of reach.

Instructions for Installation and Usage

- **Installation:**

1. Measure the area where the GRID Panel will be installed to ensure a proper fit.
2. Use the premarked guidelines on the underside of the GRID Panels for cutting if necessary.
3. Cut the panels carefully using a suitable cutting tool, ensuring that you measure twice and cut once.
4. If using DAKA Gear Straps, channel them through the serrated bottom of the panels for optimal hold.

- **Usage:**

- Place the DAKA GRID Organizer in your case, ensuring that it fits securely.
- Load your gear onto the GRID Panels, ensuring that heavier items are balanced and secured properly.
- Periodically check the stability of the equipment during use and transport.

Disposal Instructions

- Dispose of the DAKA Universal Grid Organizer Replacement Panel in accordance with local regulations.
- Do not incinerate or expose the product to fire, as it may release harmful substances.
- Consider recycling the product if possible, as it is made from Expanded Polypropylene (EPP) material.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided in the product packaging or visit the official website.

Thank you for following these safety instructions and for your commitment to safe usage of the DAKA Universal Grid Organizer Replacement Panel. Your safety is our priority.
