

LOW PROFILE CARRY FLASHLIGHT POCKET CLIP URBAN GRAY

LOW PROFILE CARRY FLASHLIGHT POCKET CLIP The Low Profile Carry Clip fits many tactical flashlights and provides a discrete, reliable way to carry your flashlight while facilitating fast deployment and enhanced retention. Thyrm developed the Low Profile Carry Clip (LPC Clip) to give your flashlight everything it needs, including less visual signature around town. The clip height is designed to minimize exposure, while still allowing you to index & draw your flashlight quickly in all conditions and positions. Subtle control surfaces on the sides enhance traction and facilitate alternate grip techniques.

FEATURES: Pocket clip with optimized retention force (also MOLLE compatible) Side grip texture and winglets for no-slip handling Lanyard hole for additional retention options Durable, non-conductive polymer construction that won't scratch surroundings Designed and made in the USA The Low Profile Carry Clip is compatible with many one-inch diameter lights. Installation Leave O-ring(s) that come with your flashlight already, on the light. Unscrew the tailcap of the flashlight, then add the LPC Clip along with O-ring and/or aluminum washer before reattaching the tailcap.

Low Profile Carry Flashlight Pocket Clip Safety Instructions

Introduction

Thank you for choosing the Low Profile Carry Flashlight Pocket Clip (Urban Gray). This safety instruction guide provides important information to ensure the safe use and maintenance of your flashlight accessory. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Ensure that the flashlight is used only for its intended purpose.
- Always inspect the flashlight and the LPC Clip before use. Do not use if damaged.
- Keep the flashlight and LPC Clip out of reach of children.
- If the flashlight or LPC Clip becomes hot during use, allow it to cool before handling.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury if the flashlight is dropped or mishandled.
- Potential for scratches or damage to surfaces if the flashlight is not handled carefully.
- Risk of losing the flashlight if the clip is not properly secured.

- **Avoiding Hazards:**

- Always secure the LPC Clip firmly to the flashlight.
- Use the flashlight in welllit areas to avoid accidents.
- Do not attempt to modify the flashlight or LPC Clip in any way.
- When not in use, store the flashlight in a safe place to prevent accidents.

- **AgeSpecific Warnings:**

- This product is not intended for use by children under 14 years of age without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Leave Oring(s) that come with your flashlight already on the light.
- Unscrew the tailcap of the flashlight.
- Add the LPC Clip along with the Oring and/or aluminum washer before reattaching the tailcap.
- Ensure that the LPC Clip is securely attached and that the tailcap is tightened properly.

2. Usage:

- When carrying the flashlight, ensure the LPC Clip is properly secured to your pocket or belt.
- To deploy the flashlight quickly, practice indexing and drawing it from the clip in various conditions and positions.
- Use the side grip texture and winglets for a noslip handling experience.
- Consider using the lanyard hole for additional retention options if needed.

Disposal Instructions

- Dispose of the Low Profile Carry Flashlight Pocket Clip in accordance with local regulations for plastic waste.
- Do not dispose of the flashlight or LPC Clip in household waste. Check with local recycling facilities for proper disposal methods.
