

LOW PROFILE CARRY FLASHLIGHT POCKET CLIP - THYRM LLC LOW PROFILE CARRY FLASHLIGHT POCKET CLIP URBAN GRAY

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

LOW PROFILE CARRY FLASHLIGHT POCKET CLIP The Low Profile Carry Clip fits many tactical flashlights and provides a discrete, reliable way to carry your flashlight while facilitating fast deployment and enhanced retention. Thyrm developed the Low Profile Carry Clip (LPC Clip) to give your flashlight everything it needs, including less visual signature around town. The clip height is designed to minimize exposure, while still allowing you to index & draw your flashlight quickly in all conditions and positions. Subtle control surfaces on the sides enhance traction and facilitate alternate grip techniques.

FEATURES: Pocket clip with optimized retention force (also MOLLE compatible) Side grip texture and winglets for no-slip handling Lanyard hole for additional retention options Durable, non-conductive polymer construction that won't scratch surroundings Designed and made in the USA The Low Profile Carry Clip is compatible with many one-inch diameter lights. Installation

Leave O-ring(s) that come with your flashlight already, on the light. Unscrew the tailcap of the flashlight, then add the LPC Clip along with O-ring and/or aluminum washer before reattaching the tailcap.

Low Profile Carry Flashlight Pocket Clip Safety Instructions

Introduction

Thank you for choosing the Low Profile Carry Flashlight Pocket Clip by Thyrm LLC. This safety instruction guide provides important information regarding the safe use, installation, and disposal of your product. Please read this guide carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the flashlight is suitable for use with the Low Profile Carry Clip.
- Always inspect the flashlight and clip for any damage before use.
- Avoid exposing the flashlight to extreme temperatures or moisture.
- Keep the flashlight out of reach of children.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU Safety Gate platform regularly.

Specific Safety Precautions for Use

- Do not use the flashlight while it is charging.
- Ensure that the clip is securely attached to the flashlight before use.
- Avoid using the flashlight in hazardous environments where sparks may cause fires or explosions.
- Use caution when handling the flashlight to prevent drops or impacts that may damage the clip or flashlight.
- Do not modify the flashlight or clip in any way that may compromise safety.

Instructions for Installation and Usage

1. Preparation

- Leave any Oring(s) that come with your flashlight already on the light.
- Ensure that you have the LPC Clip and any necessary accessories ready for installation.

2. Installation Steps

- Unscrew the tailcap of the flashlight.
- Add the LPC Clip along with the Oring and/or aluminum washer.
- Reattach the tailcap securely to the flashlight.

3. Using the Flashlight

- To deploy the flashlight, grasp the clip and pull it from your pocket or bag.
- Ensure that your grip is secure while using the flashlight to prevent slippage.
- Utilize the side grip texture and winglets for improved handling.

Disposal Instructions

- Dispose of the Low Profile Carry Flashlight Pocket Clip in accordance with local regulations for electronic waste.
- Do not dispose of the flashlight or clip in regular household waste.
- Ensure that all components are recycled or disposed of properly to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or support regarding the Low Profile Carry Flashlight Pocket Clip, please refer to the manufacturer's contact information provided with your product packaging.
