

LOW PROFILE CARRY FLASHLIGHT POCKET CLIP - THYRM LLC LOW PROFILE CARRY FLASHLIGHT POCKET CLIP FLAT DARK EARTH

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

LOW PROFILE CARRY FLASHLIGHT POCKET CLIP The Low Profile Carry Clip fits many tactical flashlights and provides a discrete, reliable way to carry your flashlight while facilitating fast deployment and enhanced retention. Thyrm developed the Low Profile Carry Clip (LPC Clip) to give your flashlight everything it needs, including less visual signature around town. The clip height is designed to minimize exposure, while still allowing you to index & draw your flashlight quickly in all conditions and positions. Subtle control surfaces on the sides enhance traction and facilitate alternate grip techniques.

FEATURES: Pocket clip with optimized retention force (also MOLLE compatible) Side grip texture and winglets for no-slip handling Lanyard hole for additional retention options Durable, non-conductive polymer construction that won't scratch surroundings Designed and made in the USA The Low Profile Carry Clip is compatible with many one-inch diameter lights. Installation

Leave O-ring(s) that come with your flashlight already, on the light. Unscrew the tailcap of the flashlight, then add the LPC Clip along with O-ring and/or aluminum washer before reattaching the tailcap.

Low Profile Carry Flashlight Pocket Clip Safety Instructions

Introduction

Thank you for choosing the Low Profile Carry Flashlight Pocket Clip by THYRM LLC. This product is designed for tactical use, providing a discreet and reliable way to carry your flashlight. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Always inspect the flashlight and the Low Profile Carry Clip before use. Look for any signs of damage or wear.
- Ensure that the flashlight is securely attached to the clip before carrying it.
- Keep the flashlight out of reach of children to avoid accidents.
- Do not use the flashlight in hazardous environments where it could cause a fire or explosion.
- If you notice any unusual behavior from the flashlight, such as flickering or overheating, discontinue use immediately.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure the flashlight is turned off when not in use to prevent accidental activation.
- Avoid exposing the flashlight to extreme temperatures or moisture, as this may affect its performance and safety.
- Do not modify the flashlight or the clip in any way, as this may compromise safety.
- When using the flashlight, do not shine it directly into anyone's eyes, as this may cause temporary blindness or discomfort.
- Use caution when drawing the flashlight from the clip, especially in crowded or confined spaces.

Instructions for Installation and Usage

Installation

1. Leave the Oring(s) that come with your flashlight already on the light.
2. Unscrew the tailcap of the flashlight.
3. Add the LPC Clip along with the Oring and/or aluminum washer before reattaching the tailcap.
4. Ensure that the clip is securely attached and that there is no play in the connection.

Usage

- To carry the flashlight, slide the clip onto your belt, pocket, or MOLLE gear.
- For quick access, practice indexing and drawing the flashlight in a safe environment.
- Utilize the side grip texture and winglets for noslip handling during use.
- If additional retention is needed, consider using the lanyard hole for extra security.

Disposal Instructions

- Dispose of the Low Profile Carry Flashlight Pocket Clip in accordance with local regulations for plastic waste.
- Do not dispose of the flashlight or clip in household waste. Check for local recycling programs or electronic waste disposal facilities.

Contact Information for Further Support

For any inquiries regarding the Low Profile Carry Flashlight Pocket Clip, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy the benefits of your Low Profile Carry Flashlight Pocket Clip while ensuring your safety and the safety of others.
