

LOW PROFILE CARRY FLASHLIGHT POCKET CLIP O.D. GREEN

LOW PROFILE CARRY FLASHLIGHT POCKET CLIP The Low Profile Carry Clip fits many tactical flashlights and provides a discrete, reliable way to carry your flashlight while facilitating fast deployment and enhanced retention. Thyrm developed the Low Profile Carry Clip (LPC Clip) to give your flashlight everything it needs, including less visual signature around town. The clip height is designed to minimize exposure, while still allowing you to index & draw your flashlight quickly in all conditions and positions. Subtle control surfaces on the sides enhance traction and facilitate alternate grip techniques.

FEATURES: Pocket clip with optimized retention force (also MOLLE compatible) Side grip texture and winglets for no-slip handling Lanyard hole for additional retention options Durable, non-conductive polymer construction that won't scratch surroundings Designed and made in the USA The Low Profile Carry Clip is compatible with many one-inch diameter lights. Installation Leave O-ring(s) that come with your flashlight already, on the light. Unscrew the tailcap of the flashlight, then add the LPC Clip along with O-ring and/or aluminum washer before reattaching the tailcap.

LOW PROFILE CARRY FLASHLIGHT POCKET CLIP

Safety Instructions

Introduction

Thank you for choosing the Low Profile Carry Flashlight Pocket Clip. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your flashlight accessory. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the flashlight and the Low Profile Carry Clip are used only for their intended purpose.
- Always inspect the flashlight and clip for damage before use. Do not use if any parts are damaged or missing.
- Keep the flashlight and clip out of reach of children and vulnerable individuals.
- Avoid exposing the flashlight to extreme temperatures, moisture, or direct sunlight for extended periods.
- If the flashlight or clip becomes hot during use, allow it to cool before handling.
- Report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The flashlight may become hot during prolonged use, which can cause burns if touched.
 - The clip may detach if not installed correctly, leading to loss of the flashlight.
- **Avoiding Hazards:**
 - Always allow the flashlight to cool down after use before handling it.
 - Ensure the clip is securely attached to the flashlight before use.
 - Do not overload the clip with excessive weight or force.
- **Age Specific Warnings:**
 - This product is not intended for use by children. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Leave the Oring(s) that come with your flashlight already on the light.
- Unscrew the tailcap of the flashlight.
- Add the LPC Clip along with the Oring and/or aluminum washer before reattaching the tailcap.
- Ensure that the clip is securely fastened to avoid detachment during use.

2. Usage:

- Attach the flashlight to your belt, pocket, or MOLLE system using the clip.
- Use the side grip texture and winglets to maintain a secure hold on the flashlight.
- If using a lanyard, thread it through the lanyard hole for additional retention options.

Disposal Instructions

- Dispose of the Low Profile Carry Clip and any associated packaging in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.
