

LOW PROFILE CARRY FLASHLIGHT POCKET CLIP - THYRM LLC LOW PROFILE CARRY FLASHLIGHT POCKET CLIP O.D. GREEN

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

LOW PROFILE CARRY FLASHLIGHT POCKET CLIP The Low Profile Carry Clip fits many tactical flashlights and provides a discrete, reliable way to carry your flashlight while facilitating fast deployment and enhanced retention. Thyrm developed the Low Profile Carry Clip (LPC Clip) to give your flashlight everything it needs, including less visual signature around town. The clip height is designed to minimize exposure, while still allowing you to index & draw your flashlight quickly in all conditions and positions. Subtle control surfaces on the sides enhance traction and facilitate alternate grip techniques.

FEATURES: Pocket clip with optimized retention force (also MOLLE compatible) Side grip texture and winglets for no-slip handling Lanyard hole for additional retention options Durable, non-conductive polymer construction that won't scratch surroundings Designed and made in the USA The Low Profile Carry Clip is compatible with many one-inch diameter lights. Installation

Leave O-ring(s) that come with your flashlight already, on the light. Unscrew the tailcap of the flashlight, then add the LPC Clip along with O-ring and/or aluminum washer before reattaching the tailcap.

Low Profile Carry Flashlight Pocket Clip Safety Instructions

Introduction

Thank you for choosing the Low Profile Carry Flashlight Pocket Clip by Thyrm LLC. This guide provides essential safety instructions to ensure your safe and effective use of the product. Please read this document carefully before use.

General Safety Guidelines

- Ensure the flashlight is compatible with the Low Profile Carry Clip (LPC Clip) before installation.
- Inspect the flashlight and clip for any damage prior to use.
- Always follow the manufacturer's instructions for the flashlight.
- Keep the flashlight and clip out of reach of children and vulnerable individuals.
- Do not use the flashlight in hazardous environments unless it is rated for such use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of dropping the flashlight if not securely attached.
 - Potential for injury if the flashlight is used improperly.
- **Avoiding Hazards:**
 - Ensure the LPC Clip is securely fastened to the flashlight before use.
 - Use the flashlight in a welllit environment to avoid accidents.
 - Do not use the flashlight while operating machinery or vehicles.
- **AgeSpecific Warnings:**
 - This product is not suitable for children under 14 years of age without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Leave Oring(s) that come with your flashlight already on the light.
- Unscrew the tailcap of the flashlight.
- Add the LPC Clip along with the Oring and/or aluminum washer (if applicable) before reattaching the tailcap.
- Ensure that the clip is securely attached and that the tailcap is tightened.

2. Usage:

- To deploy the flashlight, use the grip texture and winglets for a secure hold.
- Always handle the flashlight with care to prevent accidental activation.
- For added retention, use the lanyard hole feature if desired.

Disposal Instructions

- Dispose of the Low Profile Carry Flashlight Pocket Clip in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available.

Contact Information for Further Support
