SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the DIRTY BIRD QUICKDRAW 12 X 18" TARGETS by Birchwood Casey. This guide provides important safety instructions and guidelines to ensure the safe use of your targets. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that all users are familiar with the safe handling and use of firearms.
- Always treat every firearm as if it is loaded.
- Use targets in a safe and controlled environment, away from bystanders and unauthorized persons.
- Regularly inspect targets for any damage before use.
- Follow local laws and regulations regarding the use of targets and firearms.

Specific Safety Precautions for Use

- Always position targets in a suitable area that allows for a safe backstop to catch stray bullets.
- Avoid using targets in areas with high traffic or where people may inadvertently enter the shooting range.
- Ensure that all participants wear appropriate eye and ear protection while shooting.
- Do not use targets if they show signs of wear or damage, as this could lead to unpredictable results or safety hazards.
- Keep the shooting area clean and free of debris to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Choose a stable and secure location for mounting the targets.
- Use a suitable stand or holder that can support the target's weight and withstand shooting impacts.
- Ensure the target is positioned at a safe height and distance according to your shooting preferences and local regulations.

2. Usage:

- Set up the target at a safe distance, typically between 10 and 20 yards, depending on the type of shooting you are doing.
- Before shooting, ensure that the area is clear of people and obstacles.
- After shooting, inspect the target for any damage and ensure that all shots have been accounted for.

Disposal Instructions

- Dispose of used or damaged targets in accordance with local waste disposal regulations.
- Do not burn targets, as this may release harmful substances.
- If the targets are biodegradable, follow local guidelines for composting or recycling.
