RAZOR WALKIE TALKIE ATTACHMENT W/BLEETOOTH Safety Instruction Guide

Introduction

Thank you for choosing the RAZOR WALKIE TALKIE ATTACHMENT W/BLEETOOTH. This product is designed to enhance your communication experience while ensuring safety and protection during outdoor activities. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used in accordance with the instructions provided in this guide.
- Always keep the product out of reach of children to prevent accidents.
- Do not expose the product to extreme temperatures, moisture, or direct sunlight.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- In case of any malfunction, cease use immediately and consult the appropriate support channels.
- Be aware of your surroundings while using the walkietalkie; maintain situational awareness to avoid accidents.

Specific Safety Precautions for Use

- **Hearing Protection:** While the walkietalkie allows for communication, it is essential to wear hearing protection when in noisy environments such as shooting ranges.
- **Battery Safety:** Use only the specified type of batteries (3 AAA batteries included). Do not mix old and new batteries or different brands.
- **Windproof Microphone:** Ensure that the microphone is positioned correctly to avoid interference from wind noise.
- **Voice Activation:** Adjust the Voice Activated Transmit (VOX) settings carefully to prevent accidental transmissions.
- **Privacy and Priority Channels:** Utilize these features to ensure secure communication, especially in crowded environments.

Instructions for Installation and Usage

Installation

1. Attach the Walkie Talkie:

- Align the walkietalkie attachment with the designated slots on your Razor Series Muffs.
- Firmly press down until you hear a click, indicating that it is securely attached.

2. Power On:

- Insert the 3 AAA batteries into the battery compartment as indicated.
- Press and hold the power button until the LED indicator lights up.

3. Adjust Settings:

- Use the tactile rubber buttons to navigate through the settings.
- Select your desired channel using the channel selection buttons.

Usage

- **Making a Call:**

- Press the pushtotalk button to initiate communication.
- Speak clearly into the microphone while holding the button.

- **Receiving a Call:**

- Release the pushtotalk button to listen to incoming transmissions.

- **Using VOX:**

- If VOX is activated, simply speak to transmit without pressing the pushtotalk button.

- **Switching Channels:**

- Use the channel selection buttons to switch between available channels and subchannels.

Disposal Instructions

- Dispose of the product and its components in accordance with local regulations.
- Do not dispose of batteries in household waste. Follow local guidelines for battery disposal.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or support related to the RAZOR WALKIE TALKIE ATTACHMENT W/BLUETOOTH, please refer to the official website or the retailer from which you purchased the product.

By following these guidelines, you can ensure a safe and enjoyable experience with your RAZOR WALKIE TALKIE ATTACHMENT W/BLUETOOTH. Thank you for your attention to these important safety instructions.
